INTRODUCTION TO SYSTEMATIC THEOLOGY

What is systematic theology? Why should Christians study it? How should we study it?

EXPLANATION AND SCRIPTURAL BASIS

A. Definition of Systematic Theology

What is systematic theology? There are different definitions of this term. Some define it as "the study of the Christian faith as it is revealed in Scripture and as it is held by the church." Others define it as "the study of the Christian faith as it is revealed in Scripture and as it is held by the church, with a view to its application in the life of the church."

Other definitions include "the study of the Christian faith as it is revealed in Scripture and as it is held by the church, with a view to its application in the life of the church, and to the study of the Christian faith as it is revealed in Scripture and as it is held by the church, with a view to its application in the life of the church."
