

The background of the entire image is a dark, turbulent sea at night. A bright, glowing light source, possibly a lighthouse or a fire, is visible in the upper center, casting a powerful beam of light that reflects off the choppy water. The water is dark blue and black, with white foam from the waves catching the light. The overall mood is somber and dramatic.

Kidwatching in Josie's World Neva Ann Medcalf, 2008 Over twenty years of work and research with homeless children comes together in a scholarly work that puts a real face on the issue of homelessness especially for children Most people do not realize that children are among the thousands that are homeless and are the fastest growing segment of the homeless population The public tends to think about the bum on the corner with the cardboard sign or those sleeping under the bridges who accost them for a handout They do not realize that homelessness has an enormous and negative impact on growth development and learning for children This is an issue that affects schools communities and society at large Through qualitative observations in a one room classroom in a homeless shelter and in classrooms of an elementary school located in a subsidized housing project the development and use of language among homeless children classroom interactions between students and teachers and information regarding the effects of homelessness on children are closely examined This book re educates teachers educators and the general public in order to spur a new more accurate mindset about the reality and consequences of homelessness The work s larger purpose is to bring about compassionate implementation of the solutions necessary to eradicate this problem

Far from the Cliff Ray Moisa,2022-11-18 Ray should have died on three separate occasions when he was in the ICU But sheer tenacity an almost delusional belief that COVID would not kill him and the prayers of family and friends kept Ray alive for five weeks throughout his near fatal COVID ordeal Ray emerged from the hospital suffused with a renewed joy for and love of life He set out in his recovery to regain his former vigor and complete the memoir he had been writing for years This memoir is more than about surviving COVID It is the story of how one man came to realize how blessed he has been throughout his life It is the story of an unshakeable faith in God despite the setbacks dangers and trauma that life brings Far from the Cliff is one man s prayer of thanksgiving for the beauty love and happiness that can be ours even as we face endless trials an uncertain future and our own looming mortality

On the Edge of Grace Christine Watkins,2004-08 ON THE EDGE OF GRACE Mystical Stories of True Transformation Sometimes as human beings we find ourselves on the edge of grace At that edge an abyss falls away before us and we are helpless not to tumble into it unless grace reaches out and saves us We do not always know how we arrived at such a precarious point but once there we know we need healing meaning love peace hope and happiness We know that we are seeking something to fulfill us and take away our angst and our sadness What we do not know is that we are seeking God Each true life story in this book reveals a person who has teetered on the edge of grace in seemingly hopeless situations and discovered hope and healing in a loving God The people an atheist a stripper a car thief a woman who had two abortions a sex addict a lonely youth a woman who told God to go to hell a woman who hears the voice of God a priest a man with the hidden stigmata and a homosexual man abandoned by his mother all possess as diverse as they are vital elements in common they have truly found God and they have received help in their journeys of faith through the Blessed Virgin Mary s presence and messages in Medjugorje Each story therefore begins with a message that Mary has given to the world a message which speaks to that person s life and perhaps to our own
