Knowing Right From Wrong A Christian Guide To Conscience:

Knowing Right from Wrong LC Williams (Thomas D.), Thomas D. Williams, 2008 Examines how conscience is formed and corrupted and describes how a moral conscience may be achieved through prayer self reflection and by understanding the Bible natural law and the teachings of the Catholic Church Knowing Right from Wrong Thomas D. Williams, 2008-09-18 Father Williams explains how the conscience is formed through our training and experiences and informed by the Holy Spirit making it an essential tool for daily living He uses familiar and surprising characters to illustrate the positive choices conscience can direct and the disaster that results when a conscience is undeveloped or ignored Questions he tackles include Is it more important to be smart or good Is there a morally right thing to do in every situation and Is the Christian moral life an exciting adventure or a necessary burden Rich provocative and practical for everyday decision making Knowing Right from Wrong is a must read for all who hunger for personal holiness **Catholic Bioethics for a New Millennium** Anthony Fisher, 2011-11-17 Can the Hippocratic and Judeo Christian traditions be synthesized with contemporary thought about practical reason virtue and community to provide real life answers to the dilemmas of healthcare today Bishop Anthony Fisher discusses conscience relationships and law in relation to the modern day controversies surrounding stem cell research abortion transplants artificial feeding and euthanasia using case studies to offer insight and illumination What emerges is a reason based bioethics for the twenty first century a bioethics that treats faith and reason with equal seriousness that shows the relevance of ancient wisdom to the complexities of modern healthcare scenarios and that offers new suggestions for social policy and regulation Philosophical argument is complemented by Catholic theology and analysis of social and biomedical trends to make this an auspicious example of a new generation of Catholic bioethical writing which has relevance for people of all faiths and none The Conscience of Man Bill Smith, 2009 The church has often considered the topic of being in tune with your conscience taboo and unbiblical However author and veteran minister Dr Bill Smith unearths enlightening truths from the Scriptures about our God given conscience that can transform your life and help you better learn how to hear the prompting of the Holy Spirit **Love, the Ultimate Apologetic** Art Lindsley, 2009-09-20 Defending the Christian faith is a multidimensional task But central to that task must be the presentation and example of the uniqueness of Christian love Author and apologist Art Lindsley explores the persuasive and illuminating power of Christ like love expressed in commitment conscience community and courage Such love Lindsley shows us does indeed bear ultimate witness to the living truth of Jesus Christ *Mere Catholicism* Daniel Agatino, 2018-12-08 From the Author C S Lewis *Mere Christianity* is the obvious inspiration for the title of this book In that book Lewis uses the example of a person standing in a hall that is lined on both sides by rooms Each room represents a different Christian tradition He wanted to get readers into the hallway and let them choose for themselves whether to enter Christianity by the door of Anglicanism Catholicism and so forth *Mere Christianity* brilliantly focuses on what essentially all Christians agree upon namely the Creed the canon of the

New Testament etc However many of the great controversies between Protestants and Catholics are purposely not discussed There were ecumenical reasons for avoiding topics like papal primacy purgatory Marian devotions and so forth But by avoiding these sorts of topics Mere Christianity can be read as Mere Protestantism I wrote Mere Catholicism to address some of those missing topics Even though I am both intellectually and emotionally convinced of the truth of Catholic Christianity I am indebted to C S Lewis an Anglican for helping me better understand how Christianity offers the most compelling reason for life His work and I hope my own is an exploration of faith seeking understanding to quote St Anselm of Canterbury Contents Preface Introduction Christianity in the Third Millennium 1 Faith and Reason 2 Freedom and Responsibility 3 Work and Prayer 4 Sin and Salvation Hamartiology and Soteriology 5 Suffering and Love 6 God Theology 7 Jesus Christology 8 Mary Mariology 9 Saints and Angels Hagiology and Angelology 10 The Church Ecclesiology 11 The Bible Bibliology 12 Humankind Creation and Last Things Anthropology and Eschatology Notes About the Author

Murphy, 2019-07-23 This book is about America's greatest nemesis the hatred and racism of racist whites which are currently personifying themselves through President Trump and Congressional Republicans without shame nor remorsefulness in a most profound ugly sinful and ungodly way Hatred and racism will always divide or separate and create wars On the other hand love and impartiality will always unite and create peace This book provides information and biblical references for uniting us together and bringing about peace in our country
