King James Onlyism Versus Scholarship Onlyism Peter S. Ruckman, 1992      King James Onlyism James D. Price, 2006

The doctrine that the King James Version is the only authoritative Bible for English speaking people has become known as King James Onlyism taking on the characteristics of a sect Using evidence from Scripture history theology textual criticism and ancient and modern Bible versions this book demonstrates that this doctrine is of recent vintage being unknown before the mid twentieth century It also demonstrates that conservative modern translations of the Bible equally support the cardinal doctrines of Scripture Amazon com      The King James Only Controversy James R. White, 2009-06 Authoritative answers defending the modern translations from those who say the King James is the only true Bible shows how Bible translation actually works      King James Only Revised Dispensationalism David E. Walker, 2020-02-18 Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2 15 and the idea of dispensationalism In fact most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory For many Bible believers dispensationalism as a theological system answers so called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ At the same time many King James Only believers remain unsettled or unsure about the differences in salvation under the various dispensations Their pastors may not emphasize or teach these distinctions or they may have fallen prey to King James Only preachers and authors who teach just the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book      Assault on the Remnant Ted Schultz, 2016-06-17 It is an interesting fact of history that as the Reformation progressed the Reformers adopted the Received Text in union with the Waldenses the Jesuit inspired counter Reformation adopted the Latin Vulgate and the Vaticanus What do we see today Most of the modern versions are based upon the text of the counter Reformation In addition we see increased negativity toward the Textus Receptus and the King James Version This has not been without adverse effects upon all of Protestantism and Adventism specifically This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter Reformation have had on Adventist doctrine Since doctrinally pluralistic Bibles cannot function as self interpretive units an interpretive authority from outside of Scripture is brought into play As a result creedalism is overtaking Biblical authority History has demonstrated the sure results of this misplaced authority      **The Facts on the King James Only Debate** John Ankerberg, John Weldon, 2011-04-15 The Bible is a marvelous treasure one of the primary purposes of
