Green, 2003-12-02 New York Times bestselling author Simon R Green returns to the Deathstalker universe in an action packed adventure featuring a new hero worthy enough to

follow in the footsteps of the galaxy's most legendary warrior Owen Deathstalker sacrificed his life to save all of humanity. In the hundred years since his passing the Empire has prospered in a Golden Age of peace among aliens, humans, and AIs with hope and liberty for all. Now on the human homeworld of Logres a new king is about to be crowned. Douglas Campbell has no enthusiasm to ascend the throne. As a Paragon he enforced the King's Justice and so prefers the path of warrior to ruler. But as the sole remaining heir he puts aside the desires of his heart and picks up the reins of duty. His first act upon being crowned is to select Lewis Deathstalker Owen's descendant as his Champion and protector. The new regime already has an insurmountable task before it: the Artificial Intelligences of Shub insist on entering the Madness Maze to uncover the secrets of transcendence that humanity has failed to do for hundreds of years and they will not take no for an answer. But even more threatening is one man's desire for a revenge that will unite all of the enemies of the Empire in an attempt to bring the Golden Age into ruin. From the Paperback edition      Representing the Rainbow in Young Adult Literature Christine A.

Jenkins, Michael Cart, 2018-03-20. Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction, particularly in literature aimed at young adult audiences. But young readers, regardless of their sexual orientation, don't always know what books offer well-rounded portrayals of queer characters and situations. Fortunately, finding positive role models in fiction that features LGBTQ themes has become less problematic, though not without its challenges. In *Representing the Rainbow in Young Adult Literature*, LGBTQ Content since 1969, Christine Jenkins and Michael Cart provide an overview of the literary landscape. An expanded version of *The Heart Has Its Reasons*, this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well. In this resource, Jenkins and Cart identify titles that are notable either for their excellence, accurate, thoughtful, and tactful depictions, or deficiencies: books that are wrongheaded, stereotypical, or outdated. Each chapter has been significantly updated, and this edition also includes new chapters on bisexual, transgender, and intersex issues and characters, as well as chapters on comics, graphic novels, and works of nonfiction. This book also features an annotated bibliography and a number of author/title lists of books discussed in the text that will aid teachers, librarians, parents, and teen readers. Encompassing a wider array of sexual identities, *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives.

The stories you are about to read are from traveling and a culmination from eight years of my wife and I living among the people in lands of rich stories not excluding Ireland It has given me great joy to write of our adventures in a format that takes the best of times stirred with some pathos of fallen friends and then mixed into the tales within These reminiscences will be treasured by my wife Pat and I forever No one character is represented in his or her entirety and no narrative can be said to be an actual event These storied chapters herein capture our lives as it might have happened I have pasted the wonderful characters together from all the many vignettes we encompassed while dwelling amongst one of the most reflective societies today Not reflective in some lofty sense but as in a mirror of life that needs the rich loamy land and vibrant countryside to place one's heart into Ireland with not much doubt is the last and most beautiful virginal country left today Thanks to flying there are many corners and stories on this earth that I have seen and wrote about of great exotic beauty and depth but the

endowments of pastoral Ireland leave one breathless Its soft and natural charm is the result of native Irishmen resisting the huge industrial revolution that has changed lives within the short span of our diminutive existences The Emerald Isle is a refuge from the unbridled growth of material things Time will undoubtedly take this last resort but there are those of us who have advantaged ourselves with an affair of the heart a sojourn with Ireland The Author **Ascended Master Godfre Ray King** Dianna Gutoski, Godfré Ray King, 2012-04-05 This book continues the spiritual lessons by Ascended Master Godfre that he started in Path to the Light A Spiritual Journey with Ascended Master Godfre Ray King He says to us So our work continues always and forever It is all about individual growth and helping individuals at many different levels of awareness In this book he goes more in depth into the meaning of life in both human and spirit form He talks truthfully about reality and the puzzle of life With his chosen role of teacher he continues to help us awaken to who we really are These lessons were channeled by Dianna Gutoski Other communications can be found on [www.cosmicconversations.com](http://www.cosmicconversations.com) The Baby King Must Die!
