Exam Classes Peter May, 1996-12-19 This popular series gives teachers practical advice and guidance along with
resource ideas and materials for the classroom The tasks and activities are clearly presented and offer teachers the
information they need about level time preparation materials classroom management monitoring and follow up activities
Each book offers up to 100 ideas as well as variations that encourage teachers to adapt the activities to suite their individual
classrooms Assessing Listening Gary Buck, 2001-04-12 A formal evaluation of students listening abilities is crucial in
order that language teacher s can meet the pedagogical needs of their students While there has been a considerable body of
work done on assessing the listening abilities of native speakers the issues surrounding the assessment of second language
learners listening abilities are still emerging This book outlines in an accessible manner the theory and research relating to
the listening ability of foreign language learners It provides language teachers with guidelines to design and develop suitable
listening tasks for their students
