Kenneth Hagin Learning To Forget:

Learning to Forget Kenneth E. Hagin, 1985-06 A basic ingredient necessary for success in Christian life and ministry is learning to forgive and to forget *Milestones* Cynthia Almaraz, 2010-04 MILESTONES THE BUILDING BLOCKS OF OUR LIVES They make us who we are and who we become A Milestone is a great achievement in life that cannot be forgotten One way that will be accomplished is by saying goodbye to the past and hello to the future No one ever successfully drives forward looking in the rear view mirror This in itself is a major accomplishment Letting go of what is behind of the old life and pressing forward and walking into what lies ahead in Christ Jesus Some typical examples of milestones are when one learns how to drive graduates from school leaves home for the first time marriage a first child a first job getting saved and for some it could even mean the first day sober There are three components that make up Milestones the spoken Word of God the empowerment of the Holy Spirit and substituting thinking changing the way we think This workbook will not just help you to take the right steps towards lasting recovery from addictions but it will create crucial landmarks in your life s journey So that you will become full of God s faith and power to venture on into your destiny Milestones can be used for individual or group growth Some may just want to work it alone as a personal reflection tool to solidify their faith But most will benefit from working it together in a support setting where the Milestones can be discussed in depth People who are in codependent relationships will benefit from Milestones too This book also contains information how to set up a faith based recovery program So if you have been searching for a Faith Based Spirit Empowered program that emphasizes the Rhema Word of God then look no further Milestones is here **Two Paradigms for Divine Healing** Pavel Hejzlar, 2009-11-23 The doctrine and practice of healing through faith has been a hallmark of Pentecostalism since its inception and helps to account for the widespread appeal of the movement While divine healing as it is called by insiders has brought hope to the sick it has also been a source of disenchantment and controversy The present study offers a close look at the teaching of four major ministers of healing in the twentieth century United States The author distinguishes between the healing evangelists and pastoral ministers of healing who react to them This book discusses in detail the merits of both schools and the author proposes a solution to the problems inherent in the two paradigms under scrutiny **The Publishers' Trade List Annual**, 1985 **Seven Steps for Judging Prophecy** Kenneth E. Hagin, 1982 In Seven Steps for Judging Prophecy discover how a Christian even a new believer can learn to sort out the few genuine prophets of God from the many false and judge their prophecies in the light of the Word of God **Beyond Forgiveness** Tunde Abednego Samuel, 2017-08-04 Pastor A T Samuel in this book captured very well one of the major problems ravaging Christian homes societies and churches throughout the world today Those problems are related to the lack of the spirit of forgiveness in the daily interaction among people It was Alexander Pope an English poet in the eighteenth century who said that to err is human and to forgive is divine This book shows clearly with numerous references to biblical passages that the wounds caused by lack of forgiveness can be healed

only through the intervention of the Holy Spirit Christian brothers and sisters together with others in our societies who are burdened with unforgiveness will gain tremendously by reading this book which is written in simple English and reinforced with many relevant and valuable biblical quotations
