**Killer Move** T. E. Stouyer, 2018-09-22 Hunted by government secret agents, they were backed into a corner. Trapped with only one move left, a killer move. NOTE: This novel is part two of a series. It is not meant as a stand-alone book. The story continues from the end of the first novel, *The Silver Strand Legacy*. Realizing there was far more at stake than his freedom, former army special forces Nate Kincade decided to join forces with the very people he had been sent to track down. That's when everything started to go wrong. Terribly wrong. Having failed in their mission, thwarted by a mysterious adversary who always seems to be a step ahead of them, the scattered members of Nate's team are now in a fight for their lives. Hunted by government secret agents from the streets of Paris to the French countryside and with the shadow of a powerful criminal organization drawing ever closer, Nate and his new allies are quickly running out of time. Surrounded by enemies they expected to find, danger waits around every corner. Unaware that the greatest threat of all could already be much closer than they think, *Killer Move* is the second book in an action thriller series full of suspense and unexpected twists, and with a cast of inimitable characters. Fans of Lee Child's *Jack Reacher*, J. B. Turner's *Jon Reznick*, Tom Clancy's *Jack Ryan*, and Robert Ludlum's *Jason Bourne* will enjoy this fast-paced thriller series.
