Killing History Robert M. Price, 2014 A critique of the book *Killing Jesus* by Bill O'Reilly *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **SPIN**, 1993-10 From the concert stage to the dressing room from the recording studio to the digital realm SPIN surveys the modern musical landscape and the culture around it with authoritative reporting provocative interviews and a discerning critical ear With dynamic photography bold graphic design and informed irreverence the pages of SPIN pulsate with the energy of today's most innovative sounds Whether covering what's new or what's next SPIN is your monthly VIP pass to all that rocks **The No Spin Zone** Bill O'Reilly, 2001 For Harry Russell Sr **ThirdWay**, 2007-06 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *Killing Jesus* Bill O'Reilly, Martin Dugard, 2013-09-24 Millions of readers have thrilled to bestselling authors Bill O'Reilly and historian Martin Dugard's *Killing Kennedy* and *Killing Lincoln* page turning works of nonfiction that have changed the way we read history The basis for the 2015 television film available on streaming Now the iconic anchor of *The O'Reilly Factor* details the events leading up to the murder of the most influential man in history Jesus of Nazareth Nearly two thousand years after this beloved and controversial young revolutionary was brutally killed by Roman soldiers more than 2.2 billion human beings attempt to follow his teachings and believe he is God *Killing Jesus* will take readers inside Jesus's life recounting the seismic political and historical events that made his death inevitable and changed the world forever **Los Angeles Magazine**, 2000-04 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our
