That's Just Not True Erica Ligenza Gwynn, 2025-10-21 Are you feeling burned out by hustle culture Weighed down by expectations Stuck in indecision Overwhelmed by well practically everything It's not just you A generation of Christian women are caught between being told they can and should have it all and an inner terror that with one wrong move it will all come crumbling down Erica Ligenza Gwynn has lived in the constant tension of being told she is too much yet never enough After too many uncomfortable years she finally discovered the key to living free recognizing and rejecting worldly lies and replacing them with God's truth In *That's Just Not True* she shows you a better path forward through the noise This book is an anthem for true freedom helping you spot lies you didn't even know you believed or that the world sells as empowering even though they leave you feeling empty Lies like If I'm not hustling I'm lazy It's happening for everyone but me I am enough I will never be given anything I can't handle My feelings are my truth I'm in control and can manifest my dream life I'm too messy broken damaged to be loved and more Begin replacing those lies with God's truth today and find wild freedom in living out your God-given callings with authenticity purpose and joy

Transforming Our Image, Building Our Brand Valerie J. Gross, 2012-11-08 This book describes a groundbreaking concept that enables public libraries and librarians to become indispensable by following a Three Pillars educational approach and by replacing

traditional terms with powerful intuitive value enhanced terminology that everyone understands While there is no question that what librarians and library professionals do is critically important the ways in which these roles and responsibilities are described can mean the difference between being valued as essential to the community or considered optional Something as simple as a choice of words can determine what is valued and consequently what gets funded and what gets canceled

Transforming Our Image Building Our Brand The Education Advantage examines how the Three Pillars approach harnesses the power of language to enhance respect generate increased perceived value and garner funding The power stems from positioning all that library professionals do under three easy to remember pillars and replacing typical library terms and phrases with bold value enhanced terminology that commands value language that people outside of the field can immediately understand This book is essential reading for public library staff members at all levels of the organization especially those in leadership roles and its root concepts are applicable for all other library types as well
