King Arthur Dark Age Warrior And Mythic Hero:

King Arthur John Matthews, 2008-01-15 Details the mythic life of King Arthur the history of Arthurian legend and the **Arthur's Bosom** Tyler Tichelaar, 2017-05-24 popular themes and characters associated with the legends and Gender in "Medieval" Cinema L. Ramey, T. Pugh, 2007-02-19 The medieval film genre is not in general concerned with constructing a historically accurate past but much analysis nonetheless centers on highlighting anachronisms This book aims to help scholars and aficionados of medieval film think about how the re creation of an often mythical past performs important cultural work for modern directors and viewers The essays in this collection demonstrate that directors intentionally insert modern preoccupations into a setting that would normally be considered incompatible with these concepts The Middle Ages provide an imaginary space far enough removed from the present day to explore modern preoccupations with human identity Melusine's Gift Tyler R. Tichelaar, 2015-01-01 Following his father s death Adam Delaney has acquired his father s title as Earl of Delaney and married Anne who has given birth to their twin sons Lance and Tristan Now Adam and Anne have taken a much needed vacation in France leaving their sons at Delaney Castle with Adam s mother and grandmother and Anne s father But what begins as a pleasant and long overdue honeymoon soon becomes another strange mythical adventure when Anne reunites with her old friend Morgan while the couple is visiting Lusignan home to the legendary fairy Melusine Before Anne knows it she finds herself listening to stories within stories about the fairy Melusine and the magical rings she left to her children magical rings that are tied to Adam and Anne's future in ways they can scarcely imagine Melusine's Gift is the second of five books in Tyler R Tichelaar's Children of Arthur series following Value-Packed Booktalks Lucy Schall, 2011-04-07 In this guide 100 recommended books and booktalks Arthur s Legacy offer the perfect way to start value discussions with teens and teen adult book groups With its focus on current popular titles Value Packed Booktalks Genre Talks and More for Teen Readers is a flexible tool for all educators from Young Adult YA librarians and readers advisors at public libraries to school librarians and teachers Booktalks are provided for young adult literature published between 2006 and 2010 organized by values addressed in specific genres Examples of discussions show how these booktalks can help teens define what is personally important to them and why Unique in that it ties current popular genres to values courage with adventure titles problem solving with mystery suspense the book focuses on 100 recently published YA fiction and nonfiction titles offering summaries lists of themes values statements booktalks and curriculum connections It also cites passages appropriate for read aloud booktalks designates a general grade range middle junior or senior high school notes gender appeal for the titles male female or cross gender and lists similar or related works some published before 2006 The Complete King Arthur John Matthews, Caitlín Matthews, 2017-04-24 A comprehensive examination of the historical and mythological evidence for every major theory about King Arthur Explores the history of every Arthur candidate and the geographical arguments that have placed him in different locations Examines 1 800 years of

evidence for Arthur's life and the famous series of 12 battles fought against the Saxons in the 6th century Reconstructs the history of the 6th century in Britain when the first references to Arthur and the core events of his reign appear Few legends have had the enduring influence of those surrounding King Arthur Many believe the stories are based on historical truth For others Arthur represents the archetype of the brilliant monarch reigning over a fairy tale kingdom offering his knights the opportunity to prove their mettle in battle and find gnostic illumination through initiation into sacred mysteries like that of the Grail Presenting the culmination of more than 40 years research John and Caitl n Matthews examine the historical and mythological evidence for every major theory about the existence of King Arthur Drawing on modern techniques in archaeology and scholarship they reconstruct the history of the 6th century in Britain the period when the first unambiguous references to Arthur appear They explore the history of every Arthur candidate the geographical arguments that have placed him in different locations and the evidence for his life and famous battles fought against the Saxons Was the greatest British hero of all time not a king but a 2nd century Roman officer active around Hadrian's Wall in Cumbria A 5th century soldier who operated in areas as far apart as Cornwall Wales Scotland or Brittany Or an entirely mythical fiction that provided a figure of light during a dark period of British history Examining other literary figures from the 5th century such as Vortigern and Ambrosius the authors also break down the plots of all the major Arthurian romances including those by Chretien de Troyes Sir Thomas Malory and Robert de Boron to reveal the historical events they are based on Piecing together the many fragments that constitute the image of Arthur both the man and the myth the authors show how each face of Arthur has something to offer and how his modern popularity proves the enduring power of the hero myth truly earning Arthur the title he first received in the 15th century The Once and Future King **Ogier's Prayer** Tyler Tichelaar, 2015-12-09 The Book of Merlin John Matthews, 2020-09-15 Merlin remains the most famous and familiar image of the magician we possess In this new book Arthurian expert John Matthews examines the many guises of Merlin Arthur's Legacy Tyler R. Tichelaar, 2014-05-06 He felt suddenly as if a siren s song were calling to him from across the sea from an enchanted land an island kingdom named England He had always pictured England as a magical fairy tale realm ever since his childhood when he had first read the legends of King Arthur and the Knights of the Round Table Magic existed in the thought of England s green hills in the names of Windsor Castle Stonehenge and the Tower of London It was one of the few lands still ruled by a monarch perhaps a land where fairy tales might still come true Maybe even a place where he might at last find a father All his life Adam Morgan has sought his true identity and the father he never knew When multiple coincidences lead him to England he will not only find his father but mutual love with a woman he can never have and a family legacy he never imagined possible Among England's green hills and crumbling castles Adam's intuition awakens and when a mysterious stranger appears with a tale of Britain's past Adam discovers forces may be at work to bring about the return of a king Gotcha Again for Guys!
