Kings Or People Kings Or People:

The Pope, the Kings and the People William Arthur, 1877 The Struggle for the People's King Hajar Yazdiha, 2023-05-30 How the misuses of Martin Luther King's legacy divide us and undermine democracy In the post civil rights era wide ranging groups have made civil rights claims that echo those made by Black civil rights activists of the 1960s from people with disabilities to women's rights activists and LGBTQ coalitions Increasingly since the 1980s white right wing social movements from family values coalitions to the alt right now claim the collective memory of civil rights to portray themselves as the newly oppressed minorities The Struggle for the People's King reveals how as these powerful groups remake collective memory toward competing political ends they generate offshoots of remembrance that distort history and threaten the very foundations of multicultural democracy In the revisionist memories of white conservatives gun rights activists are the new Rosa Parks antiabortion activists are freedom riders and antigay groups are the defenders of Martin Luther King's Christian vision Drawing on a wealth of evidence ranging from newspaper articles and organizational documents to television transcripts press releases and focus groups Hajar Yazdiha documents the consequential reimagining of the civil rights movement in American political culture from 1980 to today She shows how the public memory of King and civil rights has transformed into a vacated sanitized collective memory that evades social reality and perpetuates racial inequality Powerful and persuasive The Struggle for the People's King demonstrates that these oppositional uses of memory fracture our collective understanding of who we are how we got here and where we go next The People's Companion to the Bible ... Ingram Cobbin, 1889 **The Interpretation of the Hebrew Word אָמָר (People) in Samuel-Kings** Luke Emehiele Ijezie, 2006 This study of the word people in the biblical context touches one of the central issues of biblical literature The author addresses the semantic and literary critical problems involved in interpreting the Hebrew word within the complex texts of 1 2 Samuel and 1 2 Kings While the word is often rendered by the English word people and its cognates in the modern languages it is also shown that the idea of people together with its semantic range in the modern usage is not identical to the ancient Hebrew Concerted effort is thus made to identify the basic factors and patterns that explain its meaning in various Hebrew contexts The study explains how expresses both Israel's identity as a secular polity as well as its identity as a religious entity The discussion is carried out in the light of a number of chosen texts and these are analyzed both synchronically and diachronically The Accented Bible ... All Proper Names Accented. Edited by the Rev. Alexander Taylor, 1875 Best Work of Snorri Sturluson: Heimskringla; Or, The Chronicle of the Kings of Norway and The Younger Edda; Also called Snorre's Edda, or The Prose Edda Snorri Sturluson, 2024-09-06 Embark on a Journey Through Norse Mythology and History with Snorri Sturluson's Masterpieces Delve into the rich tapestry of Norse mythology and history with this captivating 2 Ebook combo featuring the seminal works of Snorri Sturluson the Icelandic scholar and historian Book 1 Heimskringla Or The Chronicle of the Kings of Norway Immerse yourself in the epic saga of the Norse kings with
