Johnston, 2006-12-01 Increasingly thinking Christians are examining the influential role that movies play in our cultural dialogue Reel Spirituality successfully heightens readers sensitivity to the theological truths and statements about the human condition expressed through modern cinema This second edition cites 200 new movies and encourages readers to ponder movie themes that permeate our culture as well as motion pictures that have demonstrated power to shape our perceptions of everything from relationships and careers to good and evil Reel Spirituality is the perfect catalyst for dialogue and discipleship among moviegoers church based study groups and religious film and arts groups The second edition cites an additional 200 movies

and includes new film photos **I Will Repay** Dennis Oh, 2018-02-15 How can Christianity continue to rejoice over a redemption that came at the cost of the violent suffering and death of Jesus Christ In the wake of increasing revulsion toward oppression and abuse both historic and contemporary traditionally Protestant and evangelical theology is in the precarious position of defending one of its cardinal doctrines amidst a host of compelling critiques and alternatives In *I Will Repay* Dennis Oh explores how soteriology rooted in Scripture and resonant with tradition can also be conversant with the cinematic experience offered by popular films It proposes a narrative reenvisioning of the mechanism of atonement that both supports and extends traditional theological categories and vocabularies while retaining the cross centered conviction of an evangelical gospel **Deep Focus (Engaging Culture)** Robert K. Johnston, Craig Detweiler, Kutter Callaway, 2019-03-19 Three media experts guide the Christian moviegoer into a theological conversation with movies in this up to date readable introduction to Christian theology and film Building on the success of Robert Johnston's *Reel Spirituality* the leading textbook in the field for the past 17 years *Deep Focus* helps film lovers not only watch movies critically and theologically but also see beneath the surface of their moving images The book discusses a wide variety of classic and contemporary films and is illustrated with film stills from favorite movies *Lights, Camera...faith!* Peter Malone, Rose Pacatte, *Film, Lacan and the Subject of Religion* Steve Nolan, 2009-09-23 In their study of religion and film religious film analysts have tended to privilege religion Uniquely this study treats the two disciplines as genuine equals by regarding both liturgy and film as representational media Steve Nolan argues that in each case subjects identify with a represented other which joins them into a narrative where they become participants in an ideological reality Finding many current approaches to religious film analysis lacking *Film Lacan and the Subject of Religion* explores the film theory other writers ignore particularly that mix of psychoanalysis Marxism and semiotics often termed Screen theory that attempts to understand how cinematic representation shapes spectator identity Using translations and commentary on Lacan not originally available to Screen theorists Nolan returns to Lacan's contribution to psychoanalytic film theory and offers a sustained application to religious practice examining several priest films and real life case study to expose the way liturgical representation shapes religious identity *Film Lacan and the Subject of Religion* proposes an interpretive strategy by which religious film analysts can develop the kind of analysis that engages with and critiques both cultural and religious practice *Journal of Theology for Southern Africa* ,2007 *Subject Guide to Books in Print* ,2001 **The Catholic Periodical and Literature Index** ,2004 *Forthcoming Books* Rose Arny, 2002 **The Catholic Library World** John M.
