Hot Dogs Nicholas Noyes, 2005 Why should humans be the only ones lucky in love Dogs need a little devotion too and they re barking up the right tree with these charming personals They cater to canines of all types sires or dams purebreds or crossbreeds altered or whole Whether a doggie is hoping to hook up for a romp in the park to prowls the back alleys for delicacies or just to lounge lazily on the deck with the humans there s a match made in dog heaven right here Featuring hilarious color photographs of pups of all shapes and sizes it will help Fido and Fifi find their soul mates companions or flings What a great gift for Rover and his owner too *Fixed Mix Seeks Same* Christine Ecklund, Dean Miner, 2004 Personal ads Who can resist reading them even if you re attached Dogs Who doesn t love them okay besides cats and mail carriers Personal ads for dogs The most inspired combination since peanut butter and jelly *Fixed Mix Seeks Same* The First Book of Dog Personal Ads is a one of a kind collection of hilarious canine snapshots and personal ads that will leave readers howling What better treasure or gift for the dog lover a friend who s making the singles rounds or anyone who finds witty writing irresistible Some ads are silly others sly and a few a tad naughty The pooch portraits are grounded in reality with a satiric or absurd twist just like the most intriguing people personals Consider the terrier in a bikini whose ad reads Moondoggie Where Are You Sun worshipping beach babe seeks Big Kahuna who loves to soak up the rays and knows when it s time to roll over Sunsets bonfires gnarly waves and corn dogs float my boat Man thongs hairy backs and muscle heads move on Let s duck under the beach umbrella and dig our own love castle No sk8ers please get a life A hysterically entertaining look at man s best date minded friend Hot Dogs and Funerals Willie Church, 2021-11-10 Hotdogs and funerals right down the street from the funeral home sits a local ice cream shop that also serves hamburgers fries and other artery clogging prizes the entire family can enjoy However nothing tasted as good as the footlong hotdog with sauce or as us locals would mispronounce a footer with sauce Mm hm boy howdy are they good When I would come home on leave from the air force the first place I wanted to visit was that little ice cream shop to order a footer with sauce or in my younger days two footers with sauce Again I m hard to kidnap Don t judge Well wouldn t you know it one evening when my sister and I were still young Igene and Irene returned from the funeral home with two footers with sauce Both footers were laid out in a cardboard box much like the people in the funeral home now that I think about In the box each footer was placed inside the paper sleeve with the ice cream store s name on it Due to the ride home the footers were a little cold and some of the sauce were stuck to the paper sleeve as well as some of the bun No matter the condition my sister and I held our footers proudly as if we were going to raise them like flags before a defeated enemy after a long hard fought battle with starvation No doubt this is what the marines felt like raising the American flag after the Battle of Iwo Jima Bombs burst in the air of our minds as we relished no pun intended in our wiener victory The Manipulator Daniel Carnahan, 2015-06-16 Mac Thornsby grew up on the streets He s used to doing anything to survive but homicide That s outside his comfort zone However Mac is soon the prime

suspect in a murder investigation after he is discovered unconscious at the scene of the bloody crime Jim MacDonald a deputy district attorney is assigned the case along with seasoned homicide detective George Westbend But Mac's guilt is quickly called into question when additional dead bodies turn up All the victims appear to be connected to local mob boss Manicelli and Weatherford the city's most prominent and possibly dirty businessman As Jim digs deeper he becomes personally involved when a dead woman believed to be an undercover agent is found in his bed Not only is the integrity of the murder investigation out the window but so is the respectability of the district attorney's office Apparently the murdered woman had evidence against Manicelli and Weatherford so someone decided to shut her up Jim soon finds himself pursued by Manicelli who suspects Jim might have the missing evidence against him With the help of an ex CIA agent Jim must find the truth against the mob and all those involved Otherwise his reputation could be forever tarnished or worse he could end up the next victim

They are fun for dogs and people alike; the training is fun and easy and no fancy equipment is necessary. It is one book you must have for your collection. Debby Kay has been a pioneer in many areas of scent detection work. Her highly acclaimed Super Sniffer program has been taught in over 20 countries around the world. What experts are saying about Super Sniffer Scent Games: From a master on scent detection, Scent Games is more than training; it is a wonderful way to develop the human-animal bond.
