education by doing it yourself The Well Trained Mind will instruct you step by step on how to give your child an academically  
rigorous comprehensive education from preschool through high school one that will train him or her to read to think to  
understand to be well rounded and curious about learning Veteran home educators Susan Wise Bauer and Jessie Wise outline  
the classical pattern of education called the trivium which organizes learning around the maturing capacity of the child s  
mind and comprises three stages the elementary school grammar stage when the building blocks of information are absorbed  
through memorization and rules the middle school logic stage in which the student begins to think more analytically and the  
high school rhetoric stage where the student learns to write and speak with force and originality Using this theory as your  
model you ll be able to instruct your child whether full time or as a supplement to classroom education in all levels of reading  
writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own  
aptitude in those subjects Thousands of parents and teachers have already used the detailed book lists and methods  
described in The Well Trained Mind to create a truly superior education for the children in their care This extensively revised
