literature and culture of the Renaissance period **Breath to Consciousness** Sistar Julia, 2014-09-02 This novella passes on knowledge as a reminder to be a conscious being The memoir begins with a catalyst that possessed me on my soul journey It happened at a Bob Marley and The Wailers reggae concert in Sydney Australia in 1979 when I was fifteen The hypnotic music lyrics Rastafarian culture and herbs of wisdom had the effect of heightening my states of consciousness This powerful experience led me to explore In order to try to understand this force I had to go back to my roots my family history I began to examine and place pieces of my life together like a jigsaw puzzle I took a physical outward journey in a time when there was no instant society I traveled to the Caribbean and beyond where I encountered and reasoned with Rastafarians Simultaneously I discovered I was on an inward spiritual journey that was growing in strength through biblical and metaphysical readings I was transforming my existence and my way of life metamorphism As an enlightened spirit in the flesh now with a child to rear I had to share this wisdom I had discovered the essence of faith and I endeavored to not get caught up in the Babylonian system and the cycles of a routine life The grass isn't always greener on the other side it just may be a bit different This is a thought provoking and deeply personal story
