**Microsoft Office Live For Dummies** Karen S. Fredricks, 2007-10-15 Microsoft Office Live is a service that allows individuals, small businesses, and organizations to create Web sites, share documents, and have a shared storage area on the Web. Explains how to create a Web site, share documents, contact lists, project plans, and calendars; send or receive e-mails using Live Mail; and allow customers, employees, and vendors access to data based on specific security restrictions. Discusses establishing security levels, sharing documents, defining and managing projects, tracking company assets using the Contact Manager, using marketing campaigns, and working with client workspaces. Office Live services can be used independently, but they also integrate well with Microsoft Office programs used regularly by more than 400 million people around the world, including Microsoft Access, Excel, Outlook, Microsoft Office Live Meeting, and Microsoft Office Small Business Edition.

**Tarot: No Questions Asked** Theresa Reed, 2020 Tap into your sixth sense and become a better, more confident tarot reader. Most all tarot books present card-by-card interpretations as well as an instruction on how to read spreads. This book takes the next logical step inward by presenting the art of reading in a workbook format and helps you learn to interpret the cards intuitively. The book falls into two parts. The first part concerns learning about the cards and includes exercises for each card that teaches you to trust your interpretation of the card. The second part helps you develop that ability, a skill that Reed calls intuition. All the exercises, stories, card meanings, and techniques really serve one purpose: to go beyond learning Tarot to living it. It's not enough to memorize the meanings of the cards; and you can't do a reading with a workbook at your side forever. In order to deliver a meaningful, accurate tarot reading, you need to hone your intuition. Without a comfortable connection to your sixth sense, the tarot readings lack finesse and become nothing more than cookie-cutter interpretations. When you're fluent in your intuition, you can develop better readings and unique interpretations for each person. In this book, Reed teaches by example. She presents the basics of intuitive tarot reading, reading without any questions, any backstory, anything to go on. This book is filled with exercises to hone your intuition and sharpen your interpretation skills.
