Kirsch, 2014-02-11 Librarians are beginning to see the importance of game based learning and the incorporation of games into library services This book is written for them so they can use games to improve people s understanding and enjoyment of the library Full of practical suggestions the essays discuss not only innovative uses of games in libraries but also the game making process The contributors are all well versed in games and game based learning and a variety of different types of libraries are considered The essays will inspire librarians and educators to get into this exciting new area of patron and student services

*Medievalism in A Song of Ice and Fire and Game of Thrones* Shiloh Carroll, 2018 Game of Thrones is famously inspired by the Middle Ages but how authentic is the world it presents This volume offers different angles to the question One of the biggest attractions of George R R Martin s high fantasy series A Song of Ice and Fire and by extension its HBO television adaptation Game of Thrones is its claim to historical realism The author the directors and producers of the adaptation and indeed the fans of the books and show all lay claim to Westeros its setting as representative of an authentic medieval world But how true are these claims Is it possible to faithfully represent a time so far removed from our own in time and culture And what does an authentic medieval fantasy world look like This book explores Martin s and HBO s approaches to and beliefs about the Middle Ages and how those beliefs fall into traditional medievalist and fantastic literary patterns Examining both books and programme from a range of critical approaches medievalism theory gender theory queer theory postcolonial theory and race theory Dr Carroll analyzes how the drive for historical realism affects the books and show s treatment of men women people of colour sexuality and imperialism as well as how the author and showrunners discuss these effects outside the texts themselves SHILOH CARROLL teaches in the writing center at Tennessee State University

**Mastering the Game of Thrones** Jes Battis, Susan Johnston, 2015-01-24 George R R Martin s A Song of Ice and Fire series is a worldwide phenomenon and the world of Westeros has seen multiple adaptations from HBO s acclaimed television series to graphic novels console games and orchestral soundtracks This collection of new essays investigates what makes this world so popular and why the novels and television series are being taught in university classrooms as genre defining works within the American fantasy tradition This volume represents the first sustained scholarly treatment of George R R Martin s groundbreaking work and includes writing by experts involved in the production of the HBO show The contributors investigate a number of compelling areas including the mystery of the shape shifting wargs the conflict between religions the origins of the Dothraki language and the sex lives of knights The significance of fan cultures and their adaptations is also discussed

**Research Outlook, Innovation & Research Trends in Management**

Dr Prashant P Chaudhari, Dr Jasdeep Kaur Dhami, Mrs Priyanka Gupta, 2020-10-25 The aim of this book is to provide a concise presentation of the theory and practice in the field of management studies with particular emphasis on effective and innovative practices. The scope is comprehensive and research based and yet presents the content in an accessible manner ready to be applied in management practice. The book presents conventional and newer tools for research in management studies. These themes are anchored in the core elements of management studies together with inputs from current research efforts. By adding quality research articles and related case studies it can form a solid base for researchers in the management. With a general grounding in the strategy literature including key references it might even serve as a useful core text for PhD students with a general interest in the management field. R D teams in the twenty first century will work on complex problems that require the input of a variety of disciplines and often involve collaboration among specialists located on different continents. Add the business dimensions of marketing finance design production and legal assistance and the management of research development and innovation is clearly demanding. This book is directed primarily to students academicians and other professionals in the field of management. Beyond the quality professional group the book will also attract attention of research scholars pursuing PhD in the field of management. At a glance this book is targeted to the needs of individuals engaged in the field of teaching and research of management. Creative and innovative topics are presented to the audience in a way that enables them to incorporate new proficiencies into their day to day work. We would like to thank all the contributors who have made the production of this book so fascinating and enjoyable. Their scholarship and dedicated commitment and motivation to getting it right are the keys to the book's quality and we greatly appreciate their good nature over many months in the face of our editorial demands and time limits. We are also grateful for using their texts ideas and critical remarks. We would also like to thank Dr Craig N Refugio Dr D Ayub Khan Dawood all reviewers and all authors for their help in consolidating the interdisciplinary of the book. We are grateful to all the 18 institutions for their support. It will not be possible to bring out this edition.

**Cinematic perspectives on international law** Olivier Corten, Francois Dubuisson, Martyna Falkowska-Clarys, 2021-04-13 The proposed volume consists of an edited collection within the new Melland Schill Guidebooks on International Law MSGIL series In line with the MSGIL objective of inclusiveness originality perspectivism and critical thought the book is the first of an intended series pertaining to perspectives related to the ways in which the arts influence the perception and attitude of the public towards international law and the manner this affects the discipline both in terms of its own development and in terms of its social legitimacy The book contrasts the narratives of international law depicted in cinema and TV productions with the corresponding narratives advanced by legal scholars It identifies a cognitive dissonance between them and ascertains its implications on general perceptions of international law

Experiencing Hektor Lynn Kozak, 2016-12-01 This book is open access and available on [www.bloomsburycollections.com](http://www.bloomsburycollections.com) It is funded by Knowledge Unlatched At the Iliad s climax the great Trojan hero Hektor falls at the hands of Achilles But who is Hektor He has resonated with audiences as a tragic hero great

warrior loyal husband and father protector of a doomed city Yet never has a major work sought to discover how these different aspects of Hektor s character accumulate over the course of the narrative to create the devastating effect of his death This book documents the experience of Hektor through the Iliad s serial narrative Drawing on diverse tools from narratology to cognitive science but with a special focus on film character television poetics and performance practice it examines how the mechanics of serial narrative construct the character of Hektor How do we experience Hektor as the performer makes his way through the epic How does the juxtaposition of scenes in multiple storylines contribute to character How does the narrative work to manipulate our emotional response How does our relationship to Hektor change over the course of the performance Lynn Kozak demonstrates this novel approach through a careful scene by scene breakdown and analysis of the Iliad focusing especially on Hektor In doing so she challenges and destabilises popular and scholarly assumptions about both ancient epic and the Iliad s other hero
