**Cases on Strategic Social Media Utilization in the Nonprofit Sector** Asencio, Hugo, Sun, Rui, 2015-02-28 Typically utilized by

larger corporations social media marketing and strategy is lacking in small and medium sized nonprofit organizations Although these organizations are beginning to incorporate this form of online communication there is still a need to understand the best practices and proper tools to enhance an organization s presence on the web Cases on Strategic Social Media Utilization in the Nonprofit Sector brings together cases and chapters in order to examine both the practical and theoretical components of creating an online social community for nonprofit organizations The technologies discussed in this publication provide organizations with the necessary cost effective tools for fundraising marketing and civic engagement This publication is an essential reference source for practitioners academicians researchers and advanced level students interested in learning how to effectively use social media technologies in the nonprofit sector *Human Service Organizations and the Question of Impact* Jennifer E. Mosley, Steven Rathgeb Smith, 2020-06-29 This volume offers empirically based insights and findings on the question of how human service organizations are reacting to the increasing need for greater impact effectiveness and performance As demand for increased impact outstrips our knowledge of how best to achieve these goals the book s contributors discuss the innovative strategies being used to ensure that multiplex goals are being met and the degree to which client and staff concerns are being sacrificed for the organizational bottom line Taken together these discussions demonstrate that specific management strategies and collaboration based on trust and consideration of mission may help improve the quality of some services however many of the pressures which organizations and managers experience are resulting in lower staff morale compromised missions and inefficiencies This book will be of interest to those researching human service agencies as well as those with a broader concern for how organizations react to doing more with less This book was originally published as a special issue of the Human Service Organizations journal
