understanding relationships net *All You Need Is Love & Other Lies About Marriage* John W. Jacobs, 2024-06-11 Why is it so difficult to remain married in the twenty first century and what can you do about it We all know that half of today's marriages end in divorce but we tend to believe that our own marriages are safe As psychiatrist John Jacobs explains in this fresh and impassioned book marriages today are incredibly fragile and unless a couple understands what is making contemporary marriage so vulnerable to dissolution the marriage is at risk Part of the problem is that people refuse to see how social and historical forces have changed the very meaning of marriage causing serious interpersonal unhappiness Because of increased longevity married people live together longer than at any time in history There's been an erosion of the social and cultural forces that traditionally kept marriages together Confusion over gender role responsibilities increased expectations of sexual satisfaction and intense time pressures on couples to work and be successful all create marital stress And yet most people don't acknowledge the problems in their marriage until it is too late We tend to believe in the lies of marriage such concepts as soul mates unconditional love that children improve a relationship that the sexual revolution has made marital sex more pleasurable or that egalitarian marriage offers couples easy solutions and forget to engage in the constant hardwork required to keep our marriages alive Dr Jacobs believes that most marriages have significant problems at some time but until we recognize the new realities of marriage and develop the skills required to sustain a loving intimate relationship marriages are at risk Of course marriage is about love But that's just the beginning **Love, Anarchy, & Emma Goldman** Candace Falk, 2019-06-27 More than an account of Emma Goldman's legendary career as a political activist this biography offers an intimate look into her tumultuous affair with Chicago activist and red light district gynecologist Ben Reitman As it charts her twin passions for Reitman and for social reform it provides new insights into a brilliant complex woman **The Saturday Magazine**, 1822 **Living Beyond Breast Cancer** Marisa C.
