has affected every aspect of the modern world and its impact is felt by all. The pandemic particularly has had a large impact on businesses as they were forced to close, supply chains were disrupted, and new health and safety precautions were adopted. As such, many businesses, especially small businesses, were faced with losses they could not afford. Governments and stakeholders across the world have thus needed to formulate various strategies and interventions to mitigate the negative consequences of the COVID-19 pandemic, particularly as they relate to small and medium-sized enterprises (SMEs). The Handbook of Research on Strategies and Interventions to Mitigate COVID-19 Impact on SMEs is a comprehensive reference source that encapsulates the overall effect of COVID-19 on SMEs and a variety of strategies to overcome the negative effects and create more sustainable policies and organizations moving forward. The book offers a thorough overview of interventions and tactics to help organizations, entrepreneurs, and institutions of higher learning overcome the negative impact of COVID-19 while preparing policies for a more effective post-pandemic world. Covering topics that include sustainable practices for development, interventions to lessen the impact of COVID-19, and psychological resilience for SME employees, this book is ideal for entrepreneurs, managers, executives, small businesses, family firms, academicians, scholar-practitioners, policymakers, researchers, and students.
