Power-Greene, 2022-10-11 A wildly original incendiary story about race redemption the dangerous imbalances that continue to destabilize society and speaking out for what's right One could argue the story begins the night Allegra Douglass is awarded Distinguished Chair in Philosophy at her top tier university in New York the same night her grandmother dies or before that the day Allie left Birmingham and never looked back Or even before that the day her mother disappeared But for our purposes Allie's story begins at the end when she is finally ready to tell her version of what happened with a white supremacist named Matthew Strong From the beginning Allie had the clues in a spate of possibly connected disappearances of other young Black women in a series of recently restored plantation homes in letters outlining an uprising in maps of slave trade routes and old estates in hidden caves and buried tunnels and finally in a confessional that should never have existed They just have to make a case strong enough for the FBI and police to listen This is when Allie herself disappears Allie is a survivor She survived the newly post Jim Crow south she survived cancer and she will survive being stalked and kidnapped by Matthew Strong who seeks to ignite a revolution The surprise in this doesn't lie in the question of will she be taken it lies in how she and her community outsmart a tactical madman Confessions of a Reluctant Optimist Amy Chamberlain, Amy Chamberlain has never been one for motivational slogans or rose tinted glasses She's the kind of woman who expects the worst only to be mildly surprised when life occasionally delivers something better But somewhere between failed diets disastrous first dates and the endless chaos of everyday life she's discovered that optimism doesn't always have to arrive in grand gestures Sometimes it's hidden in burnt toast that still tastes fine in friendships that outlast heartbreak or in simply making it through the day without crying in the supermarket car park With humour honesty and a touch of hard won wisdom *Confessions of a Reluctant Optimist* is a candid exploration of what it means to search for silver linings when you're more comfortable expecting thunderstorms For anyone who has ever rolled their eyes at positive vibes only but secretly hoped for a happy ending this is the book that says you don't have to be a natural optimist to find joy you just have to keep looking *Confessions of a Camo Queen* Kristen Berube, 2015-07-17 Does your man's interior design sense involve dead animals Is your fridge stocked with styrofoam cups of earthworms deer glands in plastic sandwich bags and whole dead birds Does he
