## **How To Be An Adult A Handbook For Psychological And Spiritual Integration:**

**How to Be an Adult** David Richo, 1991 Using the metaphor of the heroic journey the author shows readers the way to psychological and spiritual health

**When Love Meets Fear** David Richo, 1997 This book has been written for all people who want to let go of unreasonable fear or act more creatively in the face of reasonable fear It examines the roots of fear the fear of change of self disclosure of giving and receiving of being alone Beneath all of these is the greatest fear of all the fear of love Psychologist David Richo has charted a path that can free us from the grip of fear He suggests things to do that will help us to love even when we're afraid The way to gain power over fear he says is first to become defenseless When despite our trepidation we embrace our weakness we can no longer be wounded and fear loses its hold over us

**How to Be an Adult in Faith and Spirituality** David Richo, 2011 What does a genuinely adult spirituality look like Many adults find it difficult to answer this question because they often retain a childlike understanding of God and religion This book explores that phenomenon and then offers adult alternatives in the light of mysticism depth psychology and the evolutionary cosmology Written for the average person and without denominational bias this book describes how a mature faith is nourished by religious views that are open minded rather than provincial metaphorical rather than literal and respectful of individuality rather than rigid and rule bound How to Be an Adult in Faith and Spirituality offers a gentle reply to the atheism of our postmodern world by guiding readers along a path of enriching spiritual growth and by awakening them to the potential of the transcendent the place within us and beyond us where true and lasting faith abounds Book jacket

**How to Be an Adult in Love** David Richo, 2014-01-07 We were made to love and be loved Loving ourselves and others is in our genetic code It's nothing other than the purpose of our lives but knowing that doesn't make it easy to do We may find it a challenge to love ourselves We may have a hard time letting love in from others We're often afraid of getting hurt It is also sometimes scary for us to share love with those around us and love that isn't shared leaves us feeling flat and unfulfilled David Richo provides the tools here for learning how to love in evolved adult ways beginning with getting past the barriers that keep us from loving ourselves then showing how we can learn to open to love others He provides wisdom from Buddhism psychology and a range of spiritual traditions along with a wealth of practices both for avoiding the pitfalls that can occur in love relationships and for enhancing the way love shows up in our lives He then leads us on to love's inevitable outcome developing a heart that loves universally and indiscriminately This transcendent and unconditional love isn't just for a heroic few Dave shows it's everyone's magnificent calling
