

HOW ENGLISH BECAME THE GLOBAL LANGUAGE

More people are trying to learn English than any other language in the world. English is the language of political negotiations and international business. It has become the international language of science and medicine. International treaties say passenger airplane pilots must speak English.

English is the major foreign language taught in most schools in South America and Europe. School children in the Philippines and Japan begin learning English at an early age. English is the official language of more than seventy-five countries including Britain, Canada, the United States, Australia, and South Africa.

In countries where many different languages are spoken, English is often used as an official language to help people communicate. India is good example. English is the common language in this country where at least twenty-four languages are spoken by more than one million people.

Where did the English language come from? Why has it become so popular? To answer these questions, we must travel back in time about five thousand years to an area north of the Black Sea in southeastern Europe.

Experts say the people in that area spoke a language called Proto-Indo-European. That language is no longer spoken. Researchers do not really know what it sounded like.

Yet, Proto-Indo-European is believed to be the ancestor of most European languages. These include the languages that became ancient Greek, ancient German and the ancient Latin.

Latin disappeared as a spoken language. Yet it left behind three great languages that

How English Became The Global Language:

How English Became the Global Language D. Northrup, 2013-03-20 In this book the first written about the globalization of the English language by a professional historian the exploration of English's global ascendancy receives its proper historical due This brief accessible volume breaks new ground in its organization emphasis on causation and conclusions

How English Became the Global Language D. Northrup, 2013-03-20 In this book the first written about the globalization of the English language by a professional historian the exploration of English's global ascendancy receives its proper historical due This brief accessible volume breaks new ground in its organization emphasis on causation and conclusions

English as a Global Language David Crystal, 2012-03-29 David Crystal's classic *English as a Global Language* considers the history present status and future of the English language focusing on its role as the leading international language English has been deemed the most successful language ever with 1500 million speakers internationally presenting a difficult task to those who wish to investigate it in its entirety However Crystal explores the subject in a measured but engaging way always backing up observations with facts and figures Written in a detailed and fascinating manner this is a book written by an expert both for specialists in the subject and for general readers interested in the English language

How English Became English Simon Horobin, 2016-01-28 The English Language is spoken by more than a billion people throughout the world But where did English come from And how has it evolved into the language used today In *How English Became English* Simon Horobin investigates the evolution of the English language examining how the language continues to adapt even today as English continues to find new speakers and new uses Engaging with contemporary concerns about correctness Horobin considers whether such changes are improvements or evidence of slipping standards What is the future for the English Language Will Standard English continue to hold sway or are we witnessing its replacement by newly emerging Englishes

Multilingual Subjects Daniel DeWispelare, 2017-05-08 Daniel DeWispelare documents how many varieties of English became sidelined as dialects as Standard English became dominant throughout an ever expanding English speaking world while asserting the importance of both multilingualism and dialect writing to eighteenth century anglophone culture

The Rise of Chinese as a Global Language Jeffrey Gil, 2021-06-07 This book investigates the macroacquisition of Chinese its large scale acquisition and adoption for various purposes by individuals governments and organisations and the implications of this process for the future of English as a global language The author contextualises the macroacquisition of Chinese within the global ecology of languages then analyses the factors responsible for the macroacquisition of Chinese showing in contrast to most academic and popular commentary that a character based writing system will not stop Chinese from becoming a global language He then articulates three possible future scenarios English remaining a dominant global language English and Chinese both being global languages and Chinese becoming a global language instead of English The book concludes by outlining directions for further research on the acquisition and use

of Chinese around the world It will be of interest to students and scholars with an interest in English as a global language Chinese as a second foreign language language education policy and applied linguistics more generally *How English Became English* Simon Horobin, 2016-01-28 The English Language is spoken by more than a billion people throughout the world But where did English come from And how has it evolved into the language used today In *How English Became English* Simon Horobin investigates the evolution of the English language examining how the language continues to adapt even today as English continues to find new speakers and new uses Engaging with contemporary concerns about correctness Horobin considers whether such changes are improvements or evidence of slipping standards What is the future for the English Language Will Standard English continue to hold sway or are we witnessing its replacement by newly emerging Englishes

Preparing Teachers to Teach English as an International Language Aya Matsuda, 2017-01-19 This book explores ways to prepare teachers to teach English as an International Language EIL and provides theoretically grounded models for EIL informed teacher education The volume includes two chapters that present a theoretical approach and principles in EIL teacher education followed by a collection of descriptions of field tested teacher education programs courses units in a course and activities from diverse geographical and institutional contexts which together demonstrate a variety of possible approaches to preparing teachers to teach EIL The book helps create a space for the exploration of EIL teacher education that cuts across English as a Lingua Franca World Englishes and other relevant scholarly communities **English-German contrastive phonetics and phonology. A study of interviews and speeches** Aykut Sahingöz, 2020-05-06 Bachelor Thesis from the year 2019 in the subject Speech Science Linguistics grade 2.7 University of Vechta language English abstract The linguistic differences between German and English are going to be researched and compared in order to light upon the reasons for mispronunciations and difficulties for German speakers of English Learning a language or a skill in general naturally needs practice and commitment to be able to master it However this text is going to leave this aspect aside and will concentrate on differences which emerge from the languages themselves German and English are two different languages with the same Latin alphabet and different grammar for the naked eye but beneath the surface are further differences and similarities which can be described in order to understand why German speakers of English seem to produce the same mistakes when no practice for correct pronunciation is given The importance of English has increased over the past years and is one of the most spoken and important languages It is needed in business relations to read manuals can be used in almost all foreign countries for communication and is generally important for every working citizen in terms of a business language as former European Commissioner Günther Oettinger stated in his interview with German broadcast channel SWR in 2005 In 2010 a speech of Oettinger was published which was held in the Columbia University of Berlin and showed after his contribution in the broadcast that his English proficiency was not appropriate when considering the circumstances Especially in terms of politics an individual wants to be taken seriously and act superior in all tasks given to comply with the

role of a representative politician After Oettinger held his speech it was naturally connected to what was originally said by him with the obvious connotation that he failed to meet his own expectations in English acquisition by far although it was of utmost importance The English language however can be difficult for foreign speakers Although being of the same Germanic origin as German many foreign speakers experience a hard time when trying to achieve native like pronunciation Words such as squirrel all words with a th and minimal pairs e g hat and had are often difficult to pronounce and distinguish for foreign learners due to phonetic and phonemic differences which cannot easily be translated into the German system due to their non existence

The Routledge Handbook of Teaching English as an International Language Ali Fuad Selvi,Nicola Galloway,2024-12-30 The Routledge Handbook of Teaching English as an International Language provides a ground breaking overview of the research on the global spread of English with pedagogical implications Bringing together a number of key scholars and scholarly discussions on various aspects of teaching English as an International Language TEIL this handbook directs research in this field to help inform the much needed paradigm shift in ELT away from idealized native English speaking norms Reframing English language language teaching and teacher education to match the new sociolinguistic landscape of the 21st century this handbook analyzes this topic in seven key areas Theoretical considerations Major frameworks and proposals Principles and practices of teaching and assessing English Innovative approaches varied contexts and transformative practices Diverse teaching settings and populations Teacher education and professional development Research developments and future directions The Routledge Handbook of Teaching English as an International Language is essential reading for scholars and students researching in the areas of World Englishes English as a lingua franca English as an international language Global Englishes ELT sociolinguistics and critical applied linguistics

The Imperial Nightmare David Wheeler,2011-08 Anthology from the year 2011 in the subject Didactics for the subject English Literature Works grade 2 1 Churchill College Cambridge language English abstract Over forty essays on English Literature all the product of deep reading and thinking about some of the landmark texts of the literary canon and some of the more obscure byways of English Literature An insightful overview of the entire subject with detailed critiques on many key texts and original writing on more obscure ones

Global Communication in the Twenty-first Century Robert L. Stevenson,1994 Provides a vivid armchair tour of world cultures media systems and problems in international communication

The Encyclopedia of Language and Linguistics R. E. Asher,J. M. Y. Simpson,1994

Globish Robert McCrum,2010-05-24 A fascinating study not only of the roots and growth of our own language but of its future Bloomsbury Review It seems impossible a small island in the North Atlantic colonized by Rome then pillaged for hundreds of years by marauding neighbors becomes the dominant world power in the nineteenth century In this provocative new look at the course of empire Robert McCrum shows how the language of the Anglo American imperium has become the world s lingua franca In the twenty first century writes the author English Microsoft Globish

How and why did English come to be a global language? Cornelia Richter,2008-09-02

Seminar paper from the year 2007 in the subject English Language and Literature Studies Culture and Applied Geography grade 2 0 Martin Luther University Institut f r Anglistik und Amerikanistik course English Rules the World The Globalisation of English language English abstract The role of the English language among all other languages is constantly examined researched and written about It appears that no other language has ever had such an amazing and massive impact on other cultures languages and world history Statements like English is today a truly global language Rubdy 2006 5 and World English exists as a political and cultural reality Crystal 2003b xii underpin the notion of the possibility of a language that connects all people a notion and perhaps also a wish that is almost as old as mankind This paper will investigate the question of what defines a language as a global one and what factors are convincing or definite David Crystal s explanation makes it quite obvious A language achieves a genuinely global status when it develops a special role that is recognized in every country Crystal 2003b 3 However he himself admits that this is not precise enough a special role can mean many things The concept usually refers to political aspects like for example the status of the language of the state defined by law or the language being the only one in some states for historical reasons cf Crystal 2003b 66 But in all cases it can be argued the population is living in an environment in which the English language is routinely in evidence publicly accessible in varying degrees and part of the nation s recent or present identity Crystal 2003b 66 It also has to be clarified what processes can lead to a global status of a language and if so called na ve theories hold true For the purpose of examining this question further the concept of the lingua franca and the role of English as such will also be looked at Talking about English and its world influence it is inevitable to consider the roles and history of Britain and the United States In order to make the attempt of getting more precise numbers of speakers will be shown and it will be explained how these numbers came about and what they mean As obvious as it may seem English is dominant in so many spheres that it appears impossible to account for all of them thoroughly However the most significant domains will be explained as such in order to draw a connection between history present and future *Archipel* ,1999 *Naval War College Review* ,2015 Error Analysis of English Essays written by Students of Southern Punjab Asad Javaid,2018-05-14 Master s Thesis from the year 2017 in the subject English Language and Literature Studies Linguistics grade 1 5 National University of Modern Languages Islamabad Institute of English Studies course English Linguistics language English abstract It is a descriptive study based on the analysis of essays written by male and female students in two different schools of Multan Southern Punjab In the present research the researcher has collected data from two different schools i e one government and one private The participants for the present research are the students boys and girls of secondary level The data for the present research has been collected from hundred students in the form of essays on My Favourite Personality and My Autobiography The researcher has employed Pit Corder s 1967 model for the analysis of data The data has been analysed and the researcher has categorized errors committed by the students into different types i e verb tense subject verb disagreement inappropriate use of article wrong

use of preposition etc The data is also represented in the form of pie chart Furthermore the frequency of occurrence of different types of errors is also discussed along with some of the possible causes of errors The findings of the present research highlight that students of government school commit more errors than that of private Moreover the findings also suggest that students commit errors not only due to their mother tongue influence but because of other reasons which are explained in the analysis section These findings are valuable for academia to devise policies accordingly *Basic Business Communication* Raymond Vincent Lesikar, Marie Elizabeth Flatley, 2002

How English Became The Global Language Introduction

In the digital age, access to information has become easier than ever before. The ability to download How English Became The Global Language has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download How English Became The Global Language has opened up a world of possibilities. Downloading How English Became The Global Language provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading How English Became The Global Language has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download How English Became The Global Language. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading How English Became The Global Language. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading How English Became The Global Language, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download How English Became The Global Language has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About How English Became The Global Language Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. How English Became The Global Language is one of the best book in our library for free trial.
