ABC Family to Freeform TV Emily L. Newman, Emily Witsell, 2018-02-20 Launched in 1977 by the Christian Broadcasting Service originally associated with Pat Robertson the ABC Family Freeform network has gone through a number of changes in name and ownership Over the past decade the network now owned by Disney has redefined family programming for its targeted 14 to 34 year old demographic addressing topics like lesbian and gay parenting postfeminism and changing perceptions of women the issue of race in the U S and the status of disability in American culture This

collection of new essays examines the network from a variety of perspectives with a focus on inclusive programming that has created a space for underrepresented communities like transgender youth overweight teens and the deaf *Girls' Series Fiction and American Popular Culture* LuElla D'Amico, 2016-03-01 *Girls Series Fiction and American Popular Culture* examines the ways in which young female heroines in American series fiction have undergone dramatic changes in the past 150 years changes which have both reflected and modeled standards of behavior for America's tweens and teen girls Though series books are often derided for lacking in imagination and literary potency that the majority of American girls have been exposed to girls series in some form whether through books television or other media suggests that this genre needs to be studied further and that the development of the heroines that girls read about have created an impact that is worthy of a fresh critical lens Thus this collection explores how series books have influenced and shaped popular American culture and in doing so girls everyday experiences from the mid nineteenth century until now The collection interrogates the cultural work that is performed through the series genre contemplating the messages these books relay about subjects including race class gender education family romance and friendship and it examines the trajectory of girl fiction within such contexts as material culture geopolitics socioeconomics and feminism

Bad Girls and Transgressive Women in Popular Television, Fiction, and Film Julie Chappell, Mallory Young, 2017-07-03 This collection of essays focuses on the representations of a variety of bad girls women who challenge refuse or transgress the patriarchal limits intended to circumscribe them in television popular fiction and mainstream film from the mid twentieth century to the present Perhaps not surprisingly the initial introduction of women into Western cultural narrative coincides with the introduction of transgressive women From the beginning for good or ill women have been depicted as insubordinate Today's popular manifestations include such widely known figures as Lisbeth Salander the girl with the dragon tattoo The Walking Dead's Michonne and the queen bees of teen television series While the existence and prominence of transgressive women has continued uninterrupted however attitudes towards them have varied considerably It is those attitudes that are explored in this collection At the same time these essays place feminist postfeminist analysis in a larger context entering into ongoing debates about power equality sexuality and gender

Television Brandcasting Jennifer Gillan, 2014-11-20 *Television Brandcasting* examines U S television's utility as a medium for branded storytelling It investigates the current and historical role that television content promotion and hybrids of the two have played in disseminating brand messaging and influencing consumer decision making Juxtaposing the current period of transition with that of the 1950s 1960s Jennifer Gillan outlines how in each era new technologies unsettled entrenched business models an emergent viewing platform threatened to undermine an established one and content providers worried over the behavior of once dependable audiences The anxieties led to storytelling promotion and advertising experiments including the Disneyland series embedded rock music videos in *Ozzie Harriet* credit sequence brand integration *Modern Family*'s parent company promotion episodes second screen initiatives and social TV experiments

Offering contemporary and classic examples from the American Broadcasting Company Disney Channel ABC Family and Showtime alongside series such as *Bewitched* *Leave it to Beaver* *Laverne Shirley* and *Pretty Little Liars* individual chapters focus on broadcasting at the level of the television series network schedule Blu ray DVD Digital combo pack the promotional short the cause marketing campaign and across social media In this follow up to her successful previous book *Television and New Media Must Click* TV Gillan provides vital insights into television's role in the expansion of a brand-centric U S culture

Representing the Rainbow in Young Adult Literature Christine A. Jenkins, Michael Cart, 2018-03-20 Discussions of gender and sexuality have become part of mainstream conversations and are being reflected in the work of more and more writers of fiction particularly in literature aimed at young adult audiences But young readers regardless of their sexual orientation don't always know what books offer well-rounded portrayals of queer characters and situations Fortunately finding positive role models in fiction that features LGBTQ themes has become less problematic though not without its challenges In *Representing the Rainbow in Young Adult Literature* LGBTQ Content since 1969 Christine Jenkins and Michael Cart provide an overview of the literary landscape An expanded version of *The Heart Has Its Reasons* this volume charts the evolution of YA literature that features characters and themes which resonate not only with LGBTQ readers but with their allies as well In this resource Jenkins and Cart identify titles that are notable either for their excellence accurate thoughtful and tactful depictions or deficiencies books that are wrongheaded stereotypical or outdated Each chapter has been significantly updated and this edition also includes new chapters on bisexual transgender and intersex issues and characters as well as chapters on comics graphic novels and works of nonfiction This book also features an annotated bibliography and a number of author title lists of books discussed in the text that will aid teachers librarians parents and teen readers Encompassing a wider array of sexual identities *Representing the Rainbow in Young Adult Literature* is an invaluable resource for young people eager to read about books relevant to them and their lives

5 Things Every Parent Needs to Know about Their Kids and Sex Anne Marie Miller, 2016-05-17 *Real Help for the Toughest Talks* Most parents dread talking about sex with their children Anne Marie Miller loves giving the talk

As she has shared her personal story and talked about God's gift of sex with almost half a million young people she's noticed some disturbing patterns Google is how kids learn about sex Kids are learning about sex and viewing pornography earlier than parents think The sexually abused often don't tell anyone for fear of getting in trouble Sexual messages are being consumed daily through mainstream and social media Most parents think their child is the exception Instead of sweeping this topic under the rug Miller wants to change the narrative In this immensely practical and well researched book she equips parents to have meaningful and age appropriate conversations with their children about sex pornography and sexual abuse She advises parents on how to keep the lines of communication open so that their children know they can trust them with their fears struggles and mistakes Most important she offers hope to worried parents that their children can grow up with a healthy biblical view of sex as a gift from God *Coming of Age in Popular Culture* Donald C. Miller, 2018-10-25

Documenting the evolution of teens and media from the 1950s through 2010 this book examines the films books television shows and musical artists that impacted American culture and shaped the coming of age experience for each generation The teenage years are fraught with drama and emotional ups and downs coinciding with bewildering new social situations and sexual tension For these reasons pop culture and media have repeatedly created entertainment that depicts celebrates or lampoons coming of age experiences through sitcoms like *The Wonder Years* to the brat pack films of the 1980s to the teen centered television series of today *Coming of Age in Popular Culture* Teenagers Adolescence and the Art of Growing Up covers a breadth of media presentations of the transition from childhood to adulthood from the 1950s to the year 2010 It explores the ways that adolescence is characterized in pop culture by drawing on these representations shows how powerful media and entertainment are in establishing societal norms and considers how American society views and values adolescence Topics addressed include race relations gender roles religion and sexual identity Young adult readers will come away with a heightened sense of media literacy through the examination of a topic that inherently interests them

Dramatising Disaster Christine Cornea, Rhys Owain Thomas, 2013-02-14 The imagining of disaster has intensified across a wide range of media entertainment formats and genres in recent years and themes of disaster are regularly deployed in fictional films television drama series drama documentaries comic books and video games This being the case it is therefore vital that film and media scholars pay attention to the ways in which disaster is presented to us to the figurative strategies employed to the representational history of disaster in media to the metaphorical resonances of disaster themes and even to the ways in which entertainment media texts might be understood as part of a broader discourse of disaster within certain historical and cultural contexts *Dramatising Disaster* presents new and innovative research from both early career and more established academics Some of the chapters in this edited collection are based upon papers originally presented at a highly successful conference study day held by the School of Film Television and Media at the University of East Anglia in 2011 while others are specifically solicited contributions Distinct from previous more particularised film and media studies in this

area this edited collection is focused not upon a specific disaster or specific disaster context but upon the wider topic of disaster in popular culture

Crowdsourcing the Law Francine Banner, 2019-08-27 While the general public may feel uncomfortable discussing sexual assault and violence with neighbors or coworkers the popularity of Twitter Snapchat and a host of other social media platforms suggests that we are not shy about expressing our opinions online Debates that just a few years ago would have taken place in real life have been relocated online allowing eager commenters to share their thoughts on guilt or innocence with legions of virtual strangers Crowdsourcing the Law explores how everyday participants interpret and apply law in the influential online court of public opinion Engaging a multidisciplinary case study approach the book analyzes social media comments about public figures such as Bill Cosby Brock Turner and Harvey Weinstein to address ambitious questions like How are rape myths being challenged reinforced and reinvented on social media What is the promise and peril of the MeToo movement for transforming the law And can due process be afforded in the face of an increasingly powerful virtual jury

Bullies and Mean Girls in Popular Culture Patrice A. Oppliger, 2013-10-03 The numerous anti bullying programs in schools across the United States have done little to reduce the number of reported bullying instances One reason for this is that little attention has been paid to the role of the media and popular culture in adolescents bullying and mean girl behavior This book addresses media role models in television film picture books and the Internet in the realm of bullying and relational aggression It highlights portrayals with unproductive strategies that lead to poor resolutions or no resolution at all Young viewers may learn ineffective even dangerous ways of handling aggressive situations Victims may feel discouraged when they are unable to handle the situation as easily as in media portrayals They may also feel their experiences are trivialized by comic portrayals Entertainment programming aimed particularly at adolescents often portray adults as incompetent or uncaring and include mean spirited teasing In addition overuse of the term bully and defining all bad behavior as bullying may dilute the term and trivialize the problem
