Gaming at the Edge Adrienne Shaw, 2015-01-01 Video games have long been seen as the exclusive territory of young heterosexual white males In a media landscape dominated by such gamers players who do not fit this mold including women people of color and LGBT people are often brutalized in forums and in public channels in online play Discussion of representation of such groups in games has frequently been limited and cursory In contrast Gaming at the Edge builds on feminist queer and postcolonial theories of identity and draws on qualitative audience research methods to make sense of how representation comes to matter In Gaming at the Edge Adrienne Shaw argues that video game players experience race gender and sexuality concurrently She asks How do players identify with characters How do they separate identification and interactivity What is the role of fantasy in representation What is the importance of understanding market logic In addressing these questions Shaw reveals how representation comes to matter to participants and offers a perceptive consideration of the high stakes in politics of representation debates Putting forth a framework for talking about representation difference and diversity in an era in which user generated content individualized media consumption and the blurring of producer consumer roles has lessened the utility of traditional models of media representation analysis Shaw finds new insight on the edge of media consumption with the invisible marginalized gamers who are surprising in both their numbers and their influence in mainstream gamer culture

Central and Eastern European Histories and Heritages in Video Games Michał Mochocki, Paweł Schreiber, Jakub Majewski, Yaraslau I. Kot, 2024-10-17 This book explores the representations of Central and Eastern European histories in digital games Focusing on games that examine a range of national histories and heritages from across Central and Eastern Europe the volume looks beyond the diversity of the local histories depicted in games and the audience reception of these histories to show a diversity of approaches which can be used in examining historical games from postcolonialism to identity politics to heritage studies The book includes chapters on Serbia Poland Ukraine Russia Belarus Hungary Estonia Slovakia Czechia Finland and a Western guest with regional connections Luxembourg Through the lens of
