The Routledge Handbook of

Public Service Interpreting Laura Gavioli, Cecilia Wadensjö, 2023-01-31 The Routledge Handbook of Public Service Interpreting provides a comprehensive overview of research in public service or community interpreting. It offers reflections and suggestions for improving public service communication in plurilingual settings and provides tools for dealing with public service communication in a global society. Written by leading and emerging scholars from across the world, this volume provides an editorial introduction setting the work of public service interpreting (PSI) in context and further reading suggestions. Divided into three parts, the first is dedicated to the main theoretical issues and debates which have shaped research on public service interpreting; the second discusses the characteristics of interpreting in the settings which have been most in need of public service interpreting services; the third provides reflections and suggestions on interpreter as well as provider training with an aim to improve public service interpreting services. This Handbook is the essential guide for all students, researchers and practitioners of PSI within interpreting and translation studies, medicine and health studies, law, social services, multilingualism and multimodality.

New Prospects and Perspectives for Educating Language Mediators Donald C. Kiraly, Karin Maksymski, Silvia Hansen-Schirra, 2013

Translating for the Community Mustapha Taïbi, 2017-11-15 Written by translation practitioners, teachers and researchers, this edited volume is a much needed contribution to the under-researched area of community translation. Its chapters outline the specific nature and challenges of community translation, e.g. language policies, language variation within target communities, literacy levels, quality standards, training, and the relationship between community translation as a professional practice and volunteer or crowd-sourced translation. A number of chapters also provide insights into the situation of community translation and initiatives taking place in different countries, e.g. Australia, South Africa, Spain, the USA or the UK. The book is of interest to translation practitioners, researchers and trainers, particularly those working or interested in the specific field of community translation, as well as to translation students on undergraduate, postgraduate or further education courses covering translation in general or community translation in particular.

Technology and Interpreting Cheung Andrew K.F., Dechao Li, Kanglong Liu, Riccardo Moratto, 2025-09-25 Offering a thorough exploration of the rapid advancements in technology development for interpreting, this book explores the effects of technology on the practice of interpreting, providing theoretical insights and practical applications. The chapters underscore the interdisciplinary nature of interpreting in the digital age and cover a wide range of topics from online learning environments for trainee interpreters and ethical considerations to the application of specific digital tools in language interpretation. It covers the application of advanced language models in interpreting, the pedagogical implications of technology in interpreter training, as well as the cognitive aspects of interpreting in a technologically advanced environment. The authors integrate insights from technology, linguistics, education and cognitive science to provide a comprehensive understanding of how technology influences interpreting. This interdisciplinary approach allows the book to provide a holistic view of the field, making it a valuable resource for readers from various disciplines.
