Written by teachers for teachers, it provides tips, tricks and adaptable resources to make teachers' lives easier. This book makes it easy for teachers to identify everything their students need to know to become confident, competent writers.

Public Health Leadership Louis Rowitz, 2014. During the last twenty years, the interest in public health leadership has continued to increase with the need to strengthen the infrastructure of public health. The events of September 11, 2001, the health reform movement, scientific breakthroughs, the increasing role for primary care programs in the public health agenda and the increasing deficit at the federal, state and local level. Since the publication of the first edition in 2003, *Public Health Leadership: Putting Principles Into Practice* has become a standard reference for future and practicing public health leaders. In five parts, it explores the basic theories and principles of leadership and then describes how they may be applied in the public health setting. Leadership skills and competencies as well as methods for measuring and evaluating leaders are all thoroughly covered. This new third edition is an exhaustive revision that now includes extensive coverage of the leadership skills and tools that are critical to managing public health emergencies. It also offers updated exercises and case studies throughout. New chapter on Building Infrastructure. New chapter on Accreditation. New chapter on the Global Public Health Leader. New accompanying online Instructor's Manual with over 100 references on leadership, additional case studies, curriculum guide, toolkit and additional exercises.

New Formalisms and Literary Theory V. Theile, L. Tredennick, 2013-04-11. Bringing together scholars who have critically followed New Formalism's journey through time, space and learning environment, this collection of essays both solidifies and consolidates New Formalism as a burgeoning field of literary criticism and explicates its potential as a varied but viable methodology of contemporary critical theory.
