Knack Baby Sign Language Knack Baby Sign Language:

Knack Baby Sign Language Suzie Chafin, 2009-12-28 Few children can communicate effectively before eighteen months of age but sign language can allow baby and parent to reduce the frustration up to a year earlier With more than 450 full color photos text and sidebars Knack Baby Sign Language provides a user friendly efficient method to learn and teach a baby sign language Organized by age it provides signs appropriate to use with babies with toddlers and with older children for whom signing with games songs and rhymes is enriching The signs can also be used with special needs children and those with delayed communication abilities

Knack American Sign Language Suzie Chafin, 2009-08-04 While learning a new language isn't a knack for everyone Knack American Sign Language finally makes it easy The clear layout succinct information and topic specific sign language partnered with high quality photos enable quick learning By a bilingual author whose parents were both deaf and photographed by a design professor at the leading deaf university Gallaudet it covers all the basic building blocks of communication It does so with a view to each reader's reason for learning whether teaching a toddler basic signs or communicating with a deaf coworker Readers will come away with a usable knowledge base rather than a collection of signs with limited use 450 full color photos American Sign Language Intended for people who can hear Can be used with babies and young children
