McDonough,2010-07-01 Neil Young is one of rock and roll s most important influential and enigmatic figures an intensely reticent artist who has granted no writer access to his inner sanctum until now In Shakey Jimmy McDonough tells the whole story of Young s incredible life and career from his childhood in Canada to the founding of folk rock pioneers Buffalo Springfield to the bleary conglomeration of Crazy Horse and simultaneous monstrous success of Crosby Stills Nash to the depths of the Tonight s the Night depravity and the strange changes of the Geffen years and Young s unprecedented nineties comeback with Ragged Glory and Harvest Moon No detail is spared not the sex drugs relationships breakups births deaths nor the variety of chameleon like transformations that have enabled Young to remain one of the most revered musical forces of our time Shakey the title refers to one of Young s many aliases is not only a detailed chronicle of the rock era told through the life of one uncompromising artist but the compelling human story of a lonely kid for whom music was the only outlet a driven yet tortured figure who learned to control his epilepsy via mind over matter an oddly passionate model train mogul who inspired by his own son s struggle with cerebral palsy became a major activist in the quest to help those with the condition Based on interviews with hundreds of Young s associates many speaking freely for the first time as well as extensive exclusive interviews with Young himself Shakey is a story told through the interwoven voices of McDonough biographer critic historian obsessive fan and the ever cantankerous but slyly funny Young himself who puts his biographer through some unforgettable paces while answering the question Is it better to burn out than to fade away **Shakey: Neil**

Young's Biography Jimmy McDonough,2003-05-13 Neil Young is one of rock and roll s most important and enigmatic figures a legend from the sixties who is still hugely influential today He has never granted a writer access to his inner life

until now Based on six years of interviews with more than three hundred of Young's associates and on more than fifty hours of interviews with Young himself Shakey is a fascinating prodigious account of the singer's life and career Jimmy McDonough follows Young from his childhood in Canada to his cofounding of Buffalo Springfield to the huge success of Crosby Stills Nash and Young to his comeback in the nineties Filled with never before published words directly from the artist himself Shakey is an essential addition to the top shelf of rock biographies But God, He's my Husband Dishon Tracy,2023-04-06 But God He's My Husband Most believers and non believers alike do not believe in the supernatural They do not really believe that there are other forces that surround us every day They do not believe that God or Satan can be responsible for marriage divorce friendship companionship job murder etc Dishon Tracy came to know the existence of God and Satan in a real way Though she was reared in church all churches certainly do not have the same teachings just as Jesus and the Pharisees teachings were not alike Later she was exposed to the power of the living God She learned that when the Holy Spirit speaks we better listen carefully and do what is required of us In this book you will learn what she did wrong and what she did right You will get to know her in an Antichrist state and as a Christian You will learn not to judge lest ye be judged Come with her and find out what happens when you do not listen to the Holy Spirit Some do not see tomorrow However in her case she is here to testify the mercy of God's grace even when we get off of His road of righteousness These things I have spoken unto you that in me ye might have peace In the world ye shall have tribulation but be of good cheer I have overcome the world John 16:33
