How To Attract The Wombat How To Attract The Wombat:

How to Attract the Wombat Will Cuppy, 2001 A survey of the animal kingdom in which the nocturnal and tunneling wombat is awarded the greatest praise Will Cuppy was something like the Larry David of the mid 20th century From his perch as a staff writer at The New Yorker Cuppy observed the world and found a great deal that annoyed him This collection of essays on animals includes Birds Who Can't Even Fly Optional Insects Octopuses and Those Things and How to Swat a Fly which codifies the essentials in ten hilarious principles And three essays on wombats Perfect reading for the perplexed befuddled and perpetually irritated How to Attract the Wombat Will Cuppy, 1950 *How to Scratch a Wombat* Jackie French, 2009 US edition of Australian title **Man Who Loved Wasps** Howard E Evans, 2005-03-15 As the world's leading authority on wasps Howard Ensign Evans' lifelong study of this creature was only one aspect of his life as an acclaimed scientist and author For readers he illuminated the otherworldly lives of humble creatures in such popular books as *Life on a Little Known Planet Wasp Farm* and *Pioneer Naturalists* Evans was a master entomologist who seems only to have been truly comfortable in places where the bugs called there he found his beauty his magic and his poetry In this collection which he completed just before his death at 83 it appears Evans knew all 900 000 species of his gems that to others were only insects along with the lowly magpie and the birds of Australia as well Edward O Wilson one of the world's preeminent biologists is the author of more than twenty five books including *Sociobiology* the Pulitzer Prize winning *The Ants* and the best selling novel *Anthill* A professor emeritus at Harvard University he lives in Lexington Massachusetts Will Cuppy, American Satirist Wes D. Gehring, 2013-10-11 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884-1949 This factual funnyman's metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as *How to Be a Hermit* 1929 *How to Tell Your Friends from the Apes* 1931 and *The Decline and Fall of Practically Everybody* 1950 This biography doubles as a critical study of a satirist whose shish kebabbing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona **How to Attract the Wombat ...
