How Parties Win Shaping The Irish Political Arena:

How Parties Win Sean D. McGraw, 2015-03-10 Studies Irish party politics chiefly from the 1970s onward within a comparative framework

Ireland and Partition N. C. Fleming, James H. Murphy, 2021-09-15 Ireland and Partition Contexts and Consequences brings together multiple perspectives on this key and timely theme in Irish history from the international dimension to its impact on social and economic questions alongside fresh perspectives on the changing political positions adopted by Irish nationalists Ulster Unionists and British Conservatives It examines the gestation of partition through to its implementation in 1921 as well as the many consequences that followed The chapters written by experts based in Ireland Northern Ireland Great Britain and the United States include new scholars alongside contributions from authorities in their fields Together they consider partition from a variety of often overlooked angles from its local impact on the ground through to its place in the post 1918 international order and diplomatic relations its implications for political violence and security policy and its consequences for sport and economics through to its capacity to divide both nationalism and unionism from within This book places the current questions about the future of partition resulting from Brexit and the centenary of partition 2021 in a fuller perspective It is relevant to those with an interest in Irish History and Irish Studies as well as British History European History and Peace Studies

Politics in the Republic of Ireland John Coakley, Michael Gallagher, 2017-12-01 Politics in the Republic of Ireland is now available in a fully revised sixth edition Building on the success of the previous five editions it continues to provide an authoritative introduction to all aspects of the government and politics in the Republic of Ireland Written by some of the foremost experts on Irish politics it explains analyses and interprets the background to Irish government and contemporary political processes It devotes chapters to every aspect of contemporary Irish government and politics including the political parties and elections the constitution the Taoiseach and the governmental system women and politics the role of parliament and Ireland's place within the European Union Bringing students up to date with the very latest developments especially with the upheaval in the Irish party system Coakley and Gallagher combine substance with a highly readable style providing an accessible textbook that meets the needs of all those who are interested in knowing how politics and government operate in Ireland

The Oxford Handbook of Irish Politics David M. Farrell, Niamh Hardiman, 2021-09-01 Ireland has enjoyed continuous democratic government for almost a century an unusual experience among countries that gained their independence in the 20th century But the way this works in practice has changed dramatically over time Ireland's colonial past had an enduring influence over political life for much of the time since independence enabling stable institutions of democratic accountability while also shaping a dismal record of economic under development and persistent emigration More recently membership of the EU has brought about far reaching transformation across almost all aspects of Irish life But if anything the paradoxes have only intensified Now one of the most open economies in the world Ireland has experienced both rapid growth and one of the most severe crashes in the wake of

the Great Recession On some measures Ireland is among the most affluent countries in the world yet this is not the lived experience for many of its citizens Ireland is an unequivocally modern state yet public life continues to be marked by formative ideas and values in which tradition and modernity are held in often uneasy embrace It is a small state that has ambitions to leverage its distinctive place in the Atlantic and European worlds to carry more weight on the world stage Ireland continues to be deeply connected to Britain through ties of culture and trade now matters of deep concern in the context of Brexit And the old fault lines between North and South between Ireland and Britain which had been at the core of one of Europe's longest and bloodiest civil conflicts risk being reopened by Britain's new hard edged approach to national and European identities These key issues are teased out in the 41 chapters of this book making this the most comprehensive volume on Irish politics to date

One Party Dominance Sean McGraw, Eoin O'Malley, 2017-11-21 Fianna Fáil was for most of the 20th century the democratic world's most successful political party It dominated the politics of Ireland from 1932 when it first took power until 2011 when it became a prominent electoral victim of the Great Recession This book provides original research that explains how Fianna Fáil became dominant and managed its coalitions of support to maintain that position for eight decades It gathers prominent political scientists who focus on a variety of factors including its ideological flexibility control of state resources and the venue for decision making the party's leadership its organisation and communications strategies In addition the book takes a comparative approach to understanding the position of dominant parties in democratic countries and uses empirical data to understand the sources of its support and decline It is a book that will be of interest not only to scholars of Ireland but also to those who wish to understand the sources of power of dominant political parties and the impact of the Great Recession on democratic politics This book was originally published as a special issue of Irish Political Studies

The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland

How Parties Win Sean D. McGraw, 2015-03-10 In recent decades Ireland's three major political parties have maintained over 80 percent of the vote in the face of rapidly shifting social divisions political values and controversial issues though not by giving voice to particular interest groups or reacting to issues of the day Rather Sean D McGraw reveals how party leaders select or purposely sideline pressing political and social issues in order to preserve their

competitive advantage By relegating divisive issues to extraparliamentary institutions such as referenda or national wage bargaining systems major parties mitigate the effects of changing environments and undermine the appeal of minor parties This richly textured case study of the major parties in the Republic of Ireland engages the broader comparative argument that political parties actively shape which choices are available to the electorate and just as importantly which are not Additionally McGraw sets a new standard for mixed method research by employing public opinion surveys party manifestos content analysis of media coverage the author's own survey of nearly two thirds of Irish parliamentarians in both 2010 and 2012 and personal interviews conducted over the course of six years

Political Parties and Deliberative Democracy in Europe Sergiu Gherghina, 2024-11-15 This book presents a systematic account of the relationship between political parties and deliberative democracy It shows which parties prefer deliberation how intra party deliberation takes place in practice beyond theoretical models and general descriptions and how political elites and party members perceive deliberative democracy Specifically the book answers how party characteristics influence the use of deliberation by political parties why intra party deliberation differs in its use and functioning across parties and how politicians and party members see deliberation This book is of key interest to scholars and students of party politics deliberative democracy democratic innovations political theory and more broadly comparative politics Chapter 13 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

How Ireland Voted 2020 Michael Gallagher, Michael Marsh, Theresa Reidy, 2021-06-10 This book is the 9th volume in the established How Ireland Voted series and provides the definitive story of Ireland's mould breaking 2020 election For the first time ever Sinn Féin won the most votes the previously dominant parties shrank to a fraction of their former strengths and the government to emerge was a coalition between previously irreconcilable enemies For these reasons the election marks the end of an era in Irish politics This book analyses the course of the campaign the parties gains and losses and the impact of issues especially the role of Brexit Voting behaviour is explored in depth with examination of the role of issues and discussion of the role of social cleavages such as class age and education The process by which the government was put together over a period of nearly five months is traced through in depth interviews with participants And six candidates who contested Election 2020 give first hand reports of their campaigns

The Legacy of the Irish Parliamentary Party Martin O'Donoghue, 2019 The first detailed analysis of the legacy of the Irish Parliamentary Party in independent Ireland Providing statistical analysis of the extent of Irish Party heritage in each Dáil and Seanad in the period it analyses how party followers reacted to independence and examines the place of its leaders in public memory

A Conservative Revolution? Michael Marsh, David M. Farrell, Gail McElroy, 2017-03-02 The 2011 general election in the Republic of Ireland which took place against a backdrop of economic collapse was one of the most dramatic ever witnessed The most notable outcome was the collapse of Fianna Fáil one of the world's most enduring and successful

parties In comparative terms Fianna Fáil's defeat was among the largest experienced by a major party in the history of parliamentary democracy It went from being the largest party in the state a position it had held since 1932 to being a bit player in Irish political life And yet ultimately there was much that remained the same perhaps most distinctly of all the fact that no new parties emerged It was if anything a conservative revolution A Conservative Revolution examines underlying voter attitudes in the period 2002-11 Drawing on three national election studies the book follows party system evolution and voter behaviour from boom to bust These data permits an unprecedented insight into a party system and its voters at a time of great change as the country went through a period of rapid growth to become one of Europe's wealthiest states in the early twenty first century to economic meltdown in the midst of the international Great Recession all of this in the space of a single decade In the process this study explores many of the well established norms and conventional wisdoms of Irish electoral behaviour that make it such an interesting case study for comparison with other industrialized democracies **The**

Government Party R. Kenneth Carty, 2022 This book examines long term single party dominance in modern democracies

Birth of a State Mícheál Ó Fathartaigh, Weeks Liam, 2021-09-27 **The Wiley Handbook of Christianity and Education** William Jeynes, 2018-10-02 A comprehensive source that demonstrates how 21st century Christianity can interrelate with current educational trends and aspirations The Wiley Handbook of Christianity and Education provides a resource for students and scholars interested in the most important issues trends and developments in the relationship between Christianity and education It offers a historical understanding of these two intertwined subjects with a view to creating a context for the myriad issues that characterize and challenge the relationship between Christianity and education today Presented in three parts the book starts with thought provoking essays covering major issues in Christian education such as the movement away from God in American education the Christian paradigm based on love and character vs academic industrial models of American education why religion is good for society offenders and prisons the resurgence of vocational exploration and its integrative potential for higher education and more It then looks at Christianity and education around the globe faith based schooling in a pluralistic democracy religious expectations in the Latino home church based and community centered higher education etc The third part examines how humanity is determining the relationship between Christianity and education with chapters covering the use of Christian paradigm of living and learning enrollment student demographic and capacity trends in Christian schools after the introduction of private schools empirical studies on the perceptions of intellectual diversity at elite universities in the US and more Provides the breadth and depth of knowledge necessary to gain a sophisticated and nuanced understanding of the complex relationship between Christianity and education and its place in contemporary society A long overdue assessment of the subject one that takes into account the enormous changes in Christian education Presents a global consideration of the subject Examines Christian education across elementary secondary and post secondary levels The Wiley Handbook of Christianity and Education will be of great interest

to Christian educators in the academic world the teaching profession the ministry and the college and graduate level student body

Rationality of Irrationality Kyung Joon Han, 2022-09-20 Citizens in democracies complain that political parties positions on major issues are too ambiguous for them to confidently understand Why is party position ambiguity so common Are party positions ambiguous because political parties fail in forming clear policies or because they deliberately blur their positions Rationality of Irrationality argues that political parties are motivated to strategically blur their position on an issue when they struggle with a certain disadvantage in the issue Specifically political parties present an ambiguous position when their own supporters are divided in their stances on the issue A political party also blurs position stances when voters do not acknowledge that the party has the ability and integrity to solve problems related to the issue Political parties blur their position in these cases because ambiguous party positions divert voters attention from the issue Voters support a political party whose policy positions on major issues are close to their own stances However voters cannot confidently and exactly estimate party positions on an issue when they are only ambiguous

Comparative European Party Systems Alan Siaroff, 2018-12-12 Comparative European Party Systems Second Edition provides a comprehensive analysis across 48 party systems of party competition electoral systems and their effects and the classification of party systems and governments from 1945 through late 2018 The book consists of three parts Part I provides a comparative and quantitative overview of party systems according to party families patterns of party competition electoral systems and their effects and classification of party systems and governments Part II consists of 38 detailed country profiles of longstanding democracies and of the European Union plus nine profiles on regions such as in Spain and the UK providing essential detail on the electoral systems parties party patterns and systems dimensions of political competition and governments Part III provides an analysis of 10 additional country profiles of oscillating regimes such as Russia Ukraine and Balkan and Transcaucasus states Comparative European Party Systems provides an excellent overview of topical issues in comparative election and party system research and presents a wealth of information and quantitative data It is a crucial reference for scholars and students of European and comparative politics elections electoral systems and parties and party systems

Haughey Gary Murphy, 2021-11-26 With exclusive access to the Haughey archives Gary Murphy presents a reassessment of Charles Haughey s life and legacy Saint or sinner Charles Haughey was depending on whom you ask either the great villain of Irish political life or the benevolent and forward thinking saviour of a benighted nation He was undoubtedly the most talented and influential politician of his generation yet the very roots of his success his charisma his intelligence his ruthlessness his secrecy have rendered almost impossible any objective evaluation of his life and work That is until now Based on unfettered access to Haughey s personal archives as well as extensive interviews with more than eighty of his peers rivals confidants and relatives Haughey is a rich and nuanced portrait of a man of prodigious gifts who for all his flaws and many contradictions came to define modern Ireland A superbly balanced exploration of the life and politics of one of the most fascinating figures in 20th century Ireland

Professor John Horgan An indispensable read for anyone with an interest in modern Irish history David McCullagh Offers much new detail and not a few surprises about the personality and career of a political titan who is still in equal measure revered and reviled in 21st century Ireland Conor Brady **Radical or Redundant?** Liam Weeks,2011-11-30 While the type of small political party in Ireland has varied their fate it seems has not Although some enjoy a brief time in the sun termination is the long term prospects for all minor parties The usual pattern is a speedy ascent an impact on the political system including a time in government followed by a prolonged termination This book examines this pattern of evolution for minor or small parties in Irish politics As the Irish state has changed so too have the types of parties that have emerged With the first time entry of the Greens into government in 2007 their wipeout in 2011 the termination of the Progressive Democrats in 2009 and the failure of a new party to emerge despite the on going financial crisis the time is ripe for this analysis **Parties, Politics, Peace** Carrie Manning,Ian O. Smith,Ozlem Tuncel Gurlek,2023-06-29 This pathbreaking book uncovers the important underappreciated role of armed opposition groups turned political parties in shaping long term patterns of politics after war Based on an empirically grounded and theoretically informed retrospective on nearly 30 years of post conflict democratic state building efforts it examines whether this practice has contributed to peace and finds that engaging post rebel parties in electoral politics has proven to be a viable long term strategy for bringing political stability that disparate post rebel parties from different political contexts invest heavily in electoral politics and that few post rebel parties actively seek return to civil conflict as a solution after becoming a political party This book will be of key interest to scholars students and practitioners in democracy governance elections political parties post conflict peacebuilding and more broadly to international relations comparative politics and regional politics International Negotiation Ho-Won Jeong,2016-04-07 An in depth introduction to negotiation drawing on numerous real world examples Accompanied by a rich suite of online resources

How Parties Win Shaping The Irish Political Arena Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free How Parties Win Shaping The Irish Political Arena PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals

fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free How Parties Win Shaping The Irish Political Arena PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of How Parties Win Shaping The Irish Political Arena free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About How Parties Win Shaping The Irish Political Arena Books

1. Where can I buy How Parties Win Shaping The Irish Political Arena books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
