Joining Forces Empowering Male Survivors To Thrive:

Joining Forces Howard Fradkin, Dr., 2012-11-05 This inspirational book was written to empower male survivors of sexual victimization at any age to overcome the effects of trauma and learn to thrive Male survivors often struggle to feel any sense of hope for the future so Joining Forces is designed to inspire them and their allies with easily mastered skills developed over the course of psychologist Dr Howard Fradkin s 30 year career and the real life experiences of other survivors who have learned to thrive Each chapter invites survivors to dare to dream that they can take another step in their healing process by leaving their isolation behind challenging their dysfunctional beliefs and replacing them with healthier functional messages practicing healing exercises reading about the struggles and successes of men just like them and learning how to build hope through the use of affirmations This book is unique in that it is based on the experiences of over 800 participants in MaleSurvivor Weekends of Recovery The tools taught during those workshops plus many more developed through Dr Fradkin s clinical experiences are presented so that each survivor has an opportunity to use coping skills as he faces the challenges of his recovery Survivors and their allies will learn that they are not alone in their struggles and that others have walked in their path become stronger and found a sense of freedom They ll read about how to make healthier choices to enhance their relationships emotional functioning and job performance and to thrive in their lives Healing Sexually Betrayed Men and Boys Richard B. Gartner, 2017-08-09 Healing Sexually Betrayed Men and Boys Treatment for Sexual Abuse Assault and Trauma is the new authoritative source for treatment of sexually victimized men and boys Male victims and survivors of sexual trauma lived in shadow until the turn of the 21st century when scandal after scandal about the sexual abuse of boys and men shed light on their suffering These men and boys require different treatment roadmaps than their female counterparts Yet there is little in the professional literature to help a clinician work with sexually traumatized boys and men Richard B Gartner is a seasoned psychologist psychoanalyst who has worked therapeutically with sexually abused men for over three decades He is a clinician advocate teacher lecturer and nationally and internationally recognized expert on the subject Dr Gartner s classic book Betrayed as Boys Psychodynamic Treatment of Sexually Abused Men is one of the few written to guide clinicians Now nearly two decades after writing that groundbreaking volume he follows up on his earlier work Healing Sexually Abused Men and Boys together with its companion volume Understanding the Sexual Betrayal of Boys and Men is a thorough comprehensive guide to learning about and healing male victims and survivors Dr Gartner has invited a group of experts to write about specific problems faced by these boys and men Specialists from the psychoanalytic psychodynamic trauma and legal worlds fill in the details about a wide range of interconnected subjects related to the complex reverberations of male sexual trauma Healing Sexually Betrayed Men and Boys covers such diverse topics as therapy with young sexually traumatized boys the aftermath for men who were raped as adults covert seduction of boys and its aftereffects treatment for substance addictions and sexual compulsions couples work with male

survivors and their partners or spouses bodywork with male survivors treatment for male veterans who suffered sexual trauma in the military profiling sexual predators and working with survivors who have also been sexual predators This book is a valuable resource for clinicians at every level of training With strategies for how survivors can build support networks and descriptions of clinical familial and community based treatments Healing Sexually Betrayed Men and Boys is essential reading for clinicians of all theoretical persuasions who work with male sexual abuse survivors Filling in gaps in the relatively scant literature on the subject it will also help sexually abused or assaulted men themselves understand what is available to them

Voice Male Rob A. Okun, 2014-01-05 Here is a stunning new book that succeeds in doing nothing less than chronicling the social transformation of masculinity over a three decade span Through thematically arranged essays by leading experts *Voice Male* illustrates how a growing movement of men is redefining masculinity In this collection Rob Okun directs a chorus of pro feminist voices introducing readers to men examining contemporary manhood from a variety of perspectives from overcoming violence fatherhood and navigating life as a man of color a gay man or a boy on the journey to manhood It also provides a critical forum for both male survivors and LGBTQ men to speak out This inspired book is evidence of a new direction for men brightly illuminating what's around the bend on the path to gender justice

Understanding the Sexual Betrayal of Boys and Men Richard B. Gartner, 2017-08-15 *Understanding the Sexual Betrayal of Boys and Men* The Trauma of Sexual Abuse is an indispensable go to book for understanding male sexual victimization It has become increasingly clear since the 1980s that men and boys like women and girls are sexually abused and assaulted in alarming numbers Yet there have been few resources available to victims their loved ones or those trying to help them Richard B Gartner was in the vanguard of clinicians treating male sexual victimization and has written extensively about it initially in professional papers then in his landmark 1999 book for clinicians *Betrayed as Boys Psychodynamic Treatment of Sexually Abused Men* continuing with his 2005 work *Beyond Betrayal Taking Charge of Your Life after Boyhood Sexual Abuse* He has been a tireless teacher clinician and advocate for male victims of sexual abuse in the classroom the lecture hall and of course the consulting room as well as in newspaper television radio and online interviews Dr Gartner has gathered together expert colleagues from the trauma psychoanalytic medical and survivor treatment fields Together they have created a comprehensive guide to what was once thought to be a rarity but now is clearly an all too common occurrence *Understanding the Sexual Betrayal of Boys and Men* looks at the realities of male sexual victimization guiding clinicians and lay people alike to understand the complexities of the devastation it causes in victimized boys and men It considers topics as diverse as sexual assault in institutions like the military sports teams schools universities and religious organizations sex trafficking of boys and adolescents neurobiology and brain chemistry of male survivors of sexual abuse gender and sexual dysfunctions and confusions resulting from sexual exploitation and trauma physicians treatment of sexually abused men's medical problems socio cultural influences on processing and treating men's and boys sexual victimization *Understanding the Sexual Betrayal*

Brand M.S., 2021-10-29 In her new book Behind the Façade: Exposing Female Sex Offenders and Helping Abuse Victims to Heal Julie Brand M S combines research data professional insights and survivors shared histories to enlighten readers about the reality of female perpetrated sexual abuse The book consists of three separate independent chapters 1 Female Sex offenders Unmasking the Perpetrators 2 What About Our Boys Understanding the Challenges Facing Male Victims of Sexual Abuse and Assault and 3 A Path to Recovery and Resiliency Each chapter includes information from her workshops but also adds riveting new cases and

material *Treatment of Complex Trauma* Christine A. Courtois, Julian D. Ford, 2015-09-21 The research base on complex psychological trauma has grown significantly in recent years Yet even with the development of more effective techniques for treating complex trauma survivors therapists often struggle to build strong relationships with these severely distressed clients In this guide the authors present an approach for helping adult clients move through the three phases of posttraumatic recovery and for managing the inevitable roadblocks and relationship issues that occur The introductory chapters explore how complex trauma emerges from chronic victimization and the disruption of attachment bonds in childhood or adulthood and review diagnostic considerations Two extended case examples highlight clinical issues that arise with this population and running throughout the chapters show how to use a secure therapeutic alliance as a foundation for utilizing evidence based treatment strategies The authors demonstrate ways to weave together elements of cognitive behavioral psychodynamic relational and systemic therapies along with other proven approaches in the service of working toward clearly defined therapeutic goals In Phase 1 the emphasis is basic safety and personal stabilization Phases 2 and 3 address trauma processing and the challenges of creating a new more satisfying life Strategies for tailoring interventions to each individual s needs and strengths aided by ongoing assessment are detailed Applications in group couple and family therapy are also discussed
