Jonah, Tobit, Judith Irene Nowell, 2016-12-01 These three colorful books offer gripping stories of how God shows his mercy and accomplishes his will through human actions Jonah is a reluctant prophet who must be swallowed by a whale before he delivers his message to Israel's ancient enemies at Nineveh that they must repent or face doom Tobit tells of the trials and tribulations of a family and the power of prayer as God sends an angel to guide Tobit's son Tobiah on a journey of resolution In the book of Judith a simple and courageous widow rather than an army saves her people from destruction by a powerful enemy This rich commentary explores the significant themes of each book showing that God is intimately involved with the destiny of humankind

Wills, 2019-11-05 Judith tells the story of a beautiful Jewish woman who enters the tent of an invading general gets him drunk and then slices off his head thus saving her village and Jerusalem This short novella was somewhat surprisingly included in the early Christian versions of the Old Testament and has played an important role in the Western tradition ever since This commentary provides a detailed analysis of the text's composition and its meaning in its original historical context and thoroughly surveys the history of Judith scholarship Lawrence M Wills not only considers Judith's relation to earlier biblical texts how the author played upon previous biblical motifs and interpreted important biblical passages but also addresses the rise of Judith and other Jewish novellas in the context of ancient Near Eastern and Greek literature as well as their relation to cross cultural folk motifs Because of the popularity of Judith in art and culture this volume also addresses the book's history of interpretation in paintings sculpture music drama and literature A number of images of artistic depictions of Judith are included and discussed in detail

Surprised by God Kindalee Pfremmer De Long,2009-10-16 Scholars have long noted the prevalence of praise of God in Luke Acts This monograph offers the first comprehensive analysis of this important feature of Luke s narrative It focuses on twenty six scenes in which praise occurs studied in light of ancient Jewish and Greco Roman discourse about praise of deity and in comparison with how praise appears in the narratives of Tobit and Joseph and Aseneth The book argues that praise of God functions as a literary motif in all three narratives serving to mark important moments in each plot particularly in relation to the themes of healing conversion and revelation In Luke Acts specifically the plot presents the long expected visitation of God which arrives in the person of Jesus bringing glory to the people of Israel and revelation to the Gentiles The motif of praise of God aligns closely with the plot s structure communicating to the reader that varied and often surprising events in the story such as healings in Luke and conversions in Acts together comprise the plan of God The praise motif thus demonstrates the author s efforts to combine disparate source material into carefully constructed historiography
