Jonathan A Lambs Tale:

Jonathan Kellye Ann Hoyt, 2008-04-01 This is a story about a little lamb named Jonathan who has problems staying within the boundaries set for him Because of his disobedience he finds himself in a situation where he is treated very poorly In fact he is mistreated severely and forgets who he is and where he came from His shepherd searches for him and eventually finds him But before the shepherd finds him a little family discovers him and a little boy falls in love with him The faith of the little boy the determination and love of the shepherd restores Jonathan and frees him of the bondage he is in This story actually comes from a dream vision God gave me several years ago I had wanted to write it out somehow and this is the result I put in the story my two oldest grandchildren who were small at that time and tried to display their personalities as well
