Jonathan Kozol Amazing Grace Study Guide:

Educational Leadership and Louis Farrakhan Abul Pitre, 2017-02-08 Drawing from Louis Farrakhan's decades of teaching on education and leadership this volume brings his ideas into the educational leadership discourse. It explores through a critical framework the purpose of education disclosing how those in powerful positions have shaped educational policy to use schools and universities for their benefit. The book inspires educational leaders to serve the best interest of those under their leadership. In a spiritual tone it discusses the purpose of education leadership as love servant leadership, transformative leadership and futuristic leadership. In the 21st century leadership for social justice has become a major theme and in this volume Louis Farrakhan's many years of working for equal justice on behalf of historically underserved groups is applied to the practice of educational leadership in K-12 and higher education. *Amazing Grace* Jonathan Kozol, 2012-06-26 *Amazing Grace* is Jonathan Kozol's classic book on life and death in the South Bronx, the poorest urban neighborhood of the United States. He brings us into overcrowded schools, dysfunctional hospitals and rat-infested homes where families have been ravaged by depression and anxiety, drug-related violence and the spread of AIDS. But he also introduces us to devoted and unselfish teachers, dedicated ministers and at the heart and center of the book, courageous and delightful children. The children we come to meet through the friendships they have formed with Jonathan defy the stereotypes of urban youth too frequently presented by the media. Tender, generous and often religiously devout, they speak with eloquence and honesty about the poverty and racial isolation that have wounded but not hardened them. Amidst all of the despair, it is the very young whose luminous capacity for love and transcendent sense of faith in human decency give reason for hope. **The Essential Guide to Getting Your Book Published** Arielle Eckstut, David Henry Sterry, 2010-11-11 A complete author's toolkit.
