Josephus Thrones Of Blood:

Josephus Flavius Josephus,1993-04-01 Josephus, Thrones of Blood ,1988 **The Revelation Problem** John T. Spivey,2013-03 John T Spivey breaks Revelation free from the confusing futurist interpretations and shows that St John wrote to the Early Church to build its faith during persecution by the Roman Empire He further shows that St John predicted the fall of the Roman Empire Mr Spivey calls on many ancient historians and Early Church fathers to present their testimonies to show that Revelation s predictions are subject to analysis and proof He shows that St John described the desolation of Judea and the deliverance of the Christian community from the destruction of Jerusalem in the Roman Jewish War of AD 66 70 as completed events to build confidence in what would happen in the time of Roman persecution Mr Spivey also explains the millennium and the end of time in fresh new ways that are scientifically sound and that affirm the Bible at every point

The Realizationist View of Eschatology Philip Mark Ames,2014-12-16 When the most wicked member of a tribe becomes its ruler and the most worthless member of a community becomes its leader and a man is respected through fear of the evil he may do and leadership is given to people who are unworthy of it expect the Day of Judgment The Prophet Muhammad This book is based entirely on the Holy Bible and is not a study of Islamic teaching However the above quotation seems timely and is not far from what the Bible itself says This books title has two words unfamiliar to many Realizationist and Eschatology The latter is derived from two Greek words eschatos meaning last things and logos meaning word concept or understanding So eschatology is the understanding of last things the study of endtimes prophecies found in the Bible A Realizationist approaches such a study with a divine assurance that those prophecies were written for the times in which we live a realization that the last days are unfolding right now in our own generation This unique understanding began to be revealed to only a few some 45 years ago It is now being made available to all who dare to preview the realities of the next few years **In a Bubble of Time** Susy Matthew,2013-08-29 Synopsis The mighty Roman empire rules the world with an iron fist but one nation refuses to bow to the Imperial throne little Judea a nation of fierce

Sacred Space and the Persistence of Identity Richard A. Waugh, 1995 Understanding the Existence of God John S. Weekes, Dr John S

Weekes,2010-06 Understanding the Existence of God is the third in the trilogy of Understanding books by Dr John Weekes The first in the series was Understanding the Doctrine of the Trinity 1998 followed by Understanding Forgiveness 2002 With the Existence of God the trilogy is complete and it is the hope that these three books will do much to shed light on the often dark corridors of doubt controversy and misunderstanding with regard to God s Existence The Trinity is one of those areas of theology which has driven deep and lasting division within the heart of the body of Christ It is a field that defies enlightenment save by those in whose heart and over whose understanding the Holy Spirit reigns for the things of the Spirit must be spiritually discerned Forgiveness on the other hand is at the very heart of pure religion since it is that which illuminates Christians as truly the children of God In Understanding the existence of God the author has drawn on many reservoirs and lifted water from many streams but the ultimate authority for his thesis is God s infallible word The method used is in essence adversarial and critical written in a simple everyday matter of fact common sense style In so far as the case for God has been put it is submitted that it has been established with absolute certainty supported not only by words spoken with the very breath of God Himself but by a cloud of impeccable and unimpeachable witnesses **The Ties that Bind** Esther Kobel,Meredith Warren,Jo-Ann A. Brant,2023-06-15 Friendship and other intimate but not always amicable relationships have received some attention in the greater field of research on early Judaism and Christianity though not as much as deserved This volume celebrates and builds upon the life long work of Adele Reinhartz covering the various permutations of relationships that can be found in the Gospel of John the wider corpus of early Jewish and Christian literature and cinematic re imaginings thereof While the issue of whether one can befriend the Fourth Gospel in light of the book s legacy of antisemitism is central to many of the essays in this volume others address other more or less likely friendships Pilate Paul Lazarus Judas or Mary Magdalene Likewise the bonds between ancient texts and contemporary retellings of their stories feature prominently with contributors asking what kinds of relationships filmmakers encourage their audiences to have with their subjects This volume explores some of the rich variety of relationships in the ancient world and unpacks the intricate and dynamic processes and interactions by which human relationships and societies are generated maintained and dissolved **The History of the Hebrew Commonwealth** Johann Jahn,1840
