**Journal of the Grace Evangelical Society Autumn 2016** Zane C. Hodges, Everett Berry, 2016-12-01 The Healing of Bartimaeus Mark 10 46 52 Part 2 by Ken Yates Does Free Grace Theology Diminish the Gospel A Review of Wayne Grudem s Free Grace Theology 5 Ways It Diminishes the Gospel Part 1 by Robert N Wilkin Gordon H Clark and Assurance by Shawn C Lazar The Perseverance of the Saints Identifying Augustine s Influence on Evangelical Views of Apostasy by Everett Berry The Promise of Everlasting Life in Paul s First Recorded Sermon Acts 13 14 41 by Zane C Hodges      **The Gospel of the Christ** Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ s person and work in the contents of saving faith      *The Faith That Saves* Fred Chay, John P. Correia, 2012-08-21 There is no more important issue in theological study than the meaning of faith in the New Testament The perennial problem of the misunderstanding concerning the nature of faith has produced a variety of theological errors as well as pastoral problems for the church In a day of rampant theological confusion concerning justification by faith the nature of faith is paramount This book provides a penetrating examination through exegetical precision concerning the nature of faith For those who believe in faith alone in Christ alone

this book will guide you into an understanding of what faith is and what it is not This is a book that needed to be written and a book that must be read Earl Radmacher ThD President Emeritus Western Seminary Most evangelical Protestants agree that salvation is by faith alone in Christ alone However what they cannot agree on is the meaning of faith Are there different kinds of faith in the Bible Is there saving faith and non saving faith Is faith a matter of the mind or the mind and the emotions or the mind emotions and will Is faith active or passive on the part of the believer Is it a gift of God or a work of man All these questions and many more are explored in depth by Chay and Correia They have done a commendable job of dealing with words studies grammatical nuances and debated passages Such a work is long overdue Dave Anderson PhD President and professor of Theology Grace School of Theology President Free Grace Alliance *Exploring Mormon Thought* Blake T. Ostler,2006-03-01 In volume 2 of the series *Exploring Mormon Thought* The Problems of Theism and the Love of God Blake Ostler explores issues related to soteriology or the theory of salvation He argues that the commitment that God loves us and respects our dignity as persons entails that God must leave us free to choose whether to have a saving relationship with him He explores the logic of love and argues that the LDS doctrine of a war in heaven embodies the commitment that God leaves us free to choose whether to enter into relationship with God He explores the nature of inter personal prayer and the contributions of LDS beliefs to a robust prayer dialogue He offers a view consistent with LDS commitments that makes sense out of asking God to assist others to alter the natural environment and to grow in relationship with God He then turns to the concept of grace and argues that the traditional views lead to insurmountable problems He argues that though God does not owe any obligation to us to give us grace God does so out of love However because divinity arises from loving relationships he argues that God could not fail to give sufficient grace to all persons and remain a loving God **The Heart of Piety: An Encouraging Study in Calvin's Doctrine of Assurance** Timothy A. Williams,2010 **The Death and Resurrection of the Church** Jeremy Myers,2013-04-18 What if true church growth begins by allowing the church to die In *The Death and Resurrection of the Church* Jeremy Myers proposes that most modern church growth practices are built on faulty premises Some of these are even rooted in the false promises that Satan offered to Jesus in the wilderness temptations If we want the church to grow and thrive it first needs to die to these false promises The church must stop striving after strength power fame riches and glory and instead follow Jesus into death Only then will we become the church that Jesus wants Since there can be no resurrection without death the church must die so that it can rise again This revised and updated book now includes discussion questions perfect for a small group setting Books in the Close Your Church for Good series Preface Skeleton Church Volume 1 *The Death and Resurrection of the Church* Volume 2 *Put Service Back into the Church* Service Volume 3 *Dying to Religion and Empire* Volume 4 *Church is More than Bodies Bucks Bricks* Volume 5 *Cruciform Pastoral Leadership* **Reclaiming Victory** Jason R. Velotta,2012-05 Today many believe the gospel is nothing more than the basics of Christianity the first of many steps toward a victorious life of joy The gospel of Christ is believed accepted and then laid

aside as the believer searches for the abundant life Do you remember the joy you felt when Jesus first saved you from your sin Before you knew it ministry programs self help principles and moral mandates drew you away from the very gospel that first captivated you Since then you have struggled to recapture that victory for living Far too many believers experience this loss of vitality in their spiritual lives In fact this decline is so common that many say a declining passion is to be expected as a Christian matures Even worse because of our inept view of the gospel many non believers disregard the Bible s evidences of salvation joining the millions of unfulfilled believers in a fruitless search for peace In *Reclaiming Victory Living The Gospel* author Jason R Velotta dispels the idea that salvation is just the doorway on the road toward victorious living With an informative yet captivating style *Reclaiming Victory* brings God s Word to the forefront showing that the gospel itself is the victorious Christian life Believers will find that the life of fulfillment is waiting at Calvary exactly where we left it Disregard the recovery mindset which has led to helplessness and apathy for the gospel is not just the door to salvation It is the source of the victorious Christian life Your Savior is waiting your fulfillment has always been in Him Victory is already yours
