Journey Easter Journey:

Journey, Easter Journey Dandi Daley Mackall, 2010-06-22 As the second book in author Dandi Mackall's seasonal series Journey Easter Journey presents the biblical story of Christ's life, death and resurrection in a way that is engaging and appropriate for young children. Great for kids age 3-7, this short poetic verse with brilliant illustrations is lighthearted but filled with reverence for the sacrifice Christ paid. This story presents the life of Christ as a journey beginning in Bethlehem with His birth, then moving on to His life in Nazareth and Galilee, telling about His Father's love. Finally, Christ's journey to Calvary and the wondering if this was His journey's end. But indeed it wasn't the end as His journey continued with His resurrection and ascension. This short verse concludes with the encouragement that someday we can all journey on to heaven and be together with Christ.

The Church Year at Home

Stations for Lent and Easter Andrew Gamman,Caroline Bindon,2014-02-11

These creative resources will engage your congregation through the most important season of the church year There are descriptions of dozens of stations covering Shrove Tuesday through to Easter Sunday along with tips on how they can best be used They are clearly described simple to set up and have been used in a variety of worship settings with churches of different styles sizes and age groups People find it refreshingly inspirational being able to use the scripture at a station to conduct their own journey of discovery Instead of the worship through this church season being focused as it is all too often on the particular theological stance or biases of the preacher the participation at the stations draws each worshipper to the person of Christ and brings the focus on to their own experience of the Easter story
