Develop Your Own Rock Cycle Worksheet **Answer Key**

The rock cycle is the idea that the three main types of rock (sedimentary, metamorphic and igneous) undergo physical changes enabling each to change into any of the others. In other words, sedimentary can become metamorphic and/or igneous. Igneous can become sedimentary and/or metamorphic, and so forth.

The bullets below provide information on how each type of rock is formed.

- Any type of rock that undergoes heat and/or pressure can become *metamorphic* rock.
- Any type of rock that undergoes weathering and erosion turns into **sediment**.
- Any **sediment** that compacts or cements together can become *sedimentary* rock.
- *Igneous* rock is formed from cooling **magma**.
- **Magma** is formed from melting of *sedimentary*, *igneous* and *metamorphic* rock.

Using the above information, draw your own diagram to model the rock cycle. Your model should have five main categories – one for each of the types of rock and one for each of the intermediate stages (sediment and magma). **Below is an example of the rock cycle. Forms of solutions may vary, but content should be the same.**

reach our ultimate destination First we must be Awakened with the Realization of the Truth Second we must be Enlightened as we live the Realizations And finally we should go beyond who we are not We must be Liberated and united with the Divine The Realizations are simple But as long as we live as the Mind and Ego ME we can never be truly free to be our true self The body will die and we will return to earth in a rebirth as we suffer and cry because we do not discover Who am I This book can be the key to your spiritual journey It can help seekers attain God step by step It is easy but needs sincere commitment and effort It needs the guidance of a Guru an Enlightened Master But surely if one follows this as an Enlightenment manual one will achieve the ultimate goal of Liberation What is unique in this book is the 3 Step method Don t try to be Enlightened in one flash Enlightenment is a journey of Awakening that needs Realization first Thereafter we must put these Realizations into action making it our mission If there is enough passion ultimately there will be Liberation from all ignorance and Unification with the Divine We will be free from all misery on earth and the cycle of death and rebirth We will achieve our ultimate goal as we live as the Divine Soul Where are you on the spiritual journey Are you fully Awakened Are you Enlightened When will you be Liberated
