Insights from the Lives of Olive Doke and Paul Kasonga for Pioneer Mission and Church Planting Today

Conrad Mbewe, 2014-12-14 Insights from the Lives of Olive Doke and Paul Kasonga for Pioneer Mission and Church Planting Today deals with the question of the hand over process of pioneer missionaries to the first indigenous leaders in church planting missions situations It recognises the fact this process when wrongly handled has caused a lot of harm to the work of missions The case study in this thesis which took place at the start of Baptist work in Zambia shows one example in which it was done exceptionally well The researcher also uses biblical interpretation and qualitative empirical analysis to augment his research He finally posits that the mutual respect and mutual admiration between Olive Doke and Paul Kasonga is what led to this admirable result My Journey Through Life Paul G.
