Journey End World Henning Mankell:

Journey to the End of the World Henning Mankell, 2011-01-25 Now that he is getting older Joel Gustafson has a lot to consider. His birthday is next month. He will be fifteen and he can't stop thinking about the new liberties that come with being fifteen. He will be allowed to ride a moped and he will no longer need to sneak into the cinema to see an adults only film. And maybe his father will finally agree to leave their small Swedish town and the two of them will become sailors something Joel has always dreamed of. Joel's life takes a turn but nothing like he had anticipated. Joel and his father are unexpectedly faced with an aspect of their past and emotional wounds resurface. Can their relationship survive this complex situation and the very different ways in which they respond.

The Journey to the End of the World Henning Mankell, 2011-03-01 Joel is fifteen and has left school wanting to become a merchant sailor and travel far away from his home town in Northern Sweden. But first he must face up to the past and meet his mother who ran off when he was little. After such a long time how will Joel and his dad cope with such a reunion and will Joel ever sail the seas as he dreams.

After the Fire Henning Mankell, 2017-10-31 Henning Mankell's last novel about an aging man whose quiet solitary life on an isolated island off the coast of Sweden is turned upside down when his house catches fire. Fredrik Welin is a former surgeon who retired in disgrace decades earlier to a tiny island on which he is the only resident. He has a daughter he rarely sees and his mailman Jansson is the closest thing he has to a friend and to an adversary. He is perfectly content to live out his days in quiet solitude. One autumn evening he is startled awake by a blinding light only to discover that his house is on fire. With the help of Jansson he escapes the flames just in time wearing two left boots. Dawn reveals that everything he owns is now a smoldering pile of ash and his house is destroyed forcing him to move into an abandoned trailer on his island. A local journalist Lisa Modin who wants to write a story about the fire comes into his life. In doing so she awakens in him something that he thought was long dead. Soon after his daughter comes to the island with surprising news of her own. Meanwhile the police suspect Fredrik of arson because he had a sizable insurance claim on his house. When Fredrik is away from the archipelago another house goes up in flames and the community realizes they have an arsonist in their midst. *After the Fire* is an intimate portrait of an elderly recluse who is forced to open himself up to a world he'd left behind.

The Troubled Man Henning Mankell, 2011-03-29 The tenth riveting installment in the mystery thriller series that inspired the Netflix crime drama *Young Wallander*. As satisfying for its emotional depth as its suspense. A gripping mystery. *PEOPLE Magazine*. A retired navy officer has vanished in a forest near Stockholm. Kurt Wallander is prepared to stay out of the relatively straightforward investigation which is after all another detective's responsibility but the missing man is his daughter's father in law. With his typical disregard for rules and regulations Wallander is soon pursuing his own brand of dogged detective work on someone else's case. His methods are often questionable but the results are not. He finds an extremely complex situation which may involve the secret police and ties back to Cold War espionage. Adding to Wallander's concerns are more personal troubles. Having

Quicksand Henning Mankell, 2017-01-10 A stunning and poignant autobiographical look at the myriad experiences that shape a meaningful life by the bestselling author of the Kurt Wallander mysteries Surely one of the most moving and intriguing farewell notes ever written Intensely beautiful in its spirit Alexander McCall Smith New Statesman In January 2014 Henning Mankell received a diagnosis of lung cancer Quicksand is a response to this shattering news but it is not a memoir of destruction Instead it is a testament to a life fully lived a tribute to the extraordinary but fleeting human journey that delivers both boundless opportunity and crucial responsibility In a series of intimate vignettes Mankell ranges over rich and varied reflections of growing up in a small Swedish town where he experiences a startling revelation on a winter morning as a young boy of living hand to mouth during a summer in Paris as an ambitious young writer of his work at a theater in Mozambique where Lysistrata is staged in the midst of civil war of chance encounters with men and women who changed his understanding of the world Along the way Mankell ponders the meaning of a good life and the critically important ways we can shape the future of humanity if we are fortunate enough to have the choice Vivid clear eyed and breathtakingly beautiful Quicksand is an invaluable parting gift from a great man

Australia in hope of a better life But none of her hopes or fears prepares her for the life she will lead After two brief marriages both leave her widowed she finds herself the owner of a bordello in Portuguese East Africa a world where colonialism and white colonists rule where she is isolated within white society by her profession and her gender and among the bordello's black prostitutes by her color As Hanna's story unfurls over the next several years in this treacherous paradise she wrestles with a devastating loneliness and with the racism she's meant to unthinkingly adopt And as her life becomes increasingly intertwined with the prostitutes she moves inexorably toward the moment when she will make a decision that defies all the expectations society has of her and more important those she has of herself Gripping in its drama evocative and searing in its portrait of colonial Africa *A Treacherous Paradise* is at its heart a deeply moving story of a woman who manages to wrench wisdom empathy and grace from the most unforgiving circumstances *The Empire's of J. G.
