Journey Every Step Un Sure:

Journey Every Step Un-Sure Vincent N. Scialo,2011-05-13 We all have goals hopes and dreams Something we strive and live for However for Jack Reilly he existed Day in and day out his purpose in life was to get through each and every day unnoticed That was until his milestone fiftieth birthday when his life came crashing down Alone afraid and uncertain he was ready to throw in the towel Then at the last moment Jack wants to live Left unconscious he has an out of body experience He witnesses what most of us long for and will never obtain A walk with Jesus Together side by side Jack is enlightened by what his life was all about and what was to become of his remaining years Through the four seasons Jack is shown that he never walked alone through even his most difficult times Jesus was and is always there next to him A journey made as one Awakened back to reality and no longer frightened of his future Jack embraces all that life has to offer Will he be able to face life with this new passion What is his final destination And was Jesus real or just a dream The Decision Vincent N. Scialo,2017-07-12 What would you do if you stumbled upon a small fortune For these six friends it was a decision they would all have to agree to A decision of a lifetime should they keep it or return it to its rightful owner If they choose to keep it each of their lives would change dramatically Unfortunately for some not in a good way For whoever decides to use the money or even share it with another loved one wouldnt know the consequences they would soon face If they did they would run the other way Danger was imminent Once where they had all planned on living happily ever after without a care in the world a new destiny awaits them A destination that could be their fatal final path in life **Crossroads** Ryan Stratton,2023-02-02 When you have a decision to make are you sure you re asking the right questions This forty day devotional will help you think about where you want to be who you want to be and what you should be doing Most importantly it will help you learn more about who God is and how He is working in your life As you read you ll consider questions such as Which way does God want you to go How do you know if you ve made the right choice What is the best option right now What are the best options in the future The author observes that when we must make a big decision we come to a burning bush moment see Exodus 3 where God tries to get our attention and speak to us The right decision must be one in which we move forward with Him seeking to do His work in the world This is not a journey to ask God to bless any decision but a journey that will help you submit everything to God Proverbs 16 and answer His call Transformation: God's Path Out of Obesity Joy Rollins,2008-10-10 Transformation relates my journey out of obesity by the power of the Holy Spirit At 49 I was 120 150 pounds overweight and felt helpless and hopeless in overcoming my lifelong struggle with food addiction and obesity Confronted with declining health and comfort I asked God for His help turning the struggle over to Him I received the baptism of the Holy Spirit for the first time God did a miracle in my life that night in April 2006 and began a powerful transformation both in my heart and body By the power of the Holy Spirit I was filled with joyous anticipation of God s ability in my life and I began to lose weight Early into the transformation God told me to write a journal of my experiences and the lessons He would teach me in the

journey of transformation He directed me to seek publication of the journal of the first 80 pounds lost and gave me a vision of beginning a spiritual support group at my church for women struggling with these issues **Spectrum Reading, Grade 1**
