Joys And Pains Words From The Soul:

The Soul of a Woman Through Joy and Pain Anitra M. Scott, 2012-02 Look beyond the eyes and tell me what you see I would like to take you on a journey to a woman's soul The poems I am sharing with you were written from personal experiences along with experiences from family and friends I decided to share my poems with you because sometimes it's good to know that you are not alone if you are going through heartache and pain The joy is represented by the pictures to show that no matter what you are going through you can always do something that makes you happy Some poems will make you sad but you will see it's not the end Each poem has a date to let you know when it was written I hope you enjoy reading my poems Thank you for your support

Personal Reflections from the Heart, Mind, Body and Soul

,Patience, 2022-05-04 Only through my hurt and pain have I come this far My life has been no easy road as I traveled through it all In realizing that in order to achieve the bigger picture one must endure the hard in order to understand when the easy has shown You cannot expect the reward if you can't handle what it took to get you there I too had given up so many times and twice it was spoken otherwise So if nothing else catches your eye look to oneself and make that your healing point I'm extremely far from where I came from but a long way to where I want to be I'm a work in progress with you and together WE will win this silent war Never forget those who have been there for those you just met Patience

The Sāṅkhya Aphorisms of Kapila Kapila, 1865 Pleasure, Knowledge, and Being Cynthia M. Hampton, 1990-01-01 Hampton illumines the overall structure of the Philebus Taking the interrelations of pleasure knowledge and being as the keys to understanding the unity of the dialogue she focuses on the central point The analysis of both pleasure and knowledge can be understood fully only if placed within the context of the more general and fundamental question of how human life fits into the overall structure of reality What guides the discussion of the good life throughout the dialogue is the conviction that we can only realize our human good by shaping our lives so that they are true to the universal Good which unites all things It is around this crucial point that the dialogue is structured Thus according to Hampton's interpretation the Philebus shows what it says that if we delve deeply enough we shall discover that behind the appearance of disorder lies beauty proportion and truth
