Judaism As Creed And Life Morris Joseph, 2018-12-14 Published in 1910 this book considers Jewish teaching and the ethics of religion itself Rev Morris Joseph discussed Judaism in both a practical and academic context as well as considering the subject in conjunction with other prominent world religions

**Judaism As Creed and Life** Morris Joseph, 2020-04-30 Originally published in its sixth edition in 1929 this volume was one of the first to have appeared in England which was written from a liberal standpoint It gives a comprehensive account of Jewish belief and practice as conceived by those of moderate views A significant part of the book covers Jewish ethics and specifically their practical aspects as well as advice for Jewish teenagers of Confirmation age

Judaism as Creed and Life Morris Joseph, 1925 Judaism as Creed and Life Rev. Morris Joseph, 2015-06-02 Excerpt from Judaism as Creed and Life The view of Judaism set forth in the following pages is one likely I believe to commend itself to a large number of English speaking Jews It lies midway between the orthodoxy which regards the Shulchan Aruch or at least the Talmud as the final authority in Judaism and the extreme liberalism which setting little store by the historic sentiment as a factor of the Jewish consciousness would lightly cut the religion loose from the bonds of Tradition The present volume then may fairly lay claim to novelty Almost all the expositions of Judaism which have hitherto appeared in England have been written from the rigidly conservative standpoint Of these the two handbooks of my much respected teacher Dr M Friedlander are notable examples Something though far less has been done to familiarise the public with the conception of Judaism which stands at the other extreme It has found an able champion in my friend Mr C G Montefiore whose essay entitled Liberal Judaism was published almost on the very day that this book was finished About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Excerpt from Judaism as Creed and Life Thus much in reply to the possible charge that I have given a mere anthology that I have provided a collection of elegant extracts at the cost of ignoring the less attractive teachings I have certainly made many quotations especially in the section on Ethics But I have done so intentionally My aim has been to give some idea of the nobility of thought which characterises the Jewish doctrine of post biblical times The passages I have cited are but specimens of the vast moral and spiritual wealth to be found in the Talmudic and medieval literatures About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
