bestselling author of *Democracy Awakening* the most comprehensive account of the GOP and its competing impulses Los
Angeles Times When Abraham Lincoln helped create the Republican Party on the eve of the Civil War his goal was to
promote economic opportunity for all Americans not just the slaveholding Southern planters who steered national politics Yet
despite the egalitarian dream at the heart of its founding the Republican Party quickly became mired in a fundamental
identity crisis Would it be the party of democratic ideals Or would it be the party of moneyed interests In the century and a
half since Republicans have vacillated between these two poles with dire economic political and moral repercussions for the
entire nation In *To Make Men Free* celebrated historian Heather Cox Richardson traces the shifting ideology of the Grand
Old Party from the antebellum era to the Great Recession revealing the insidious cycle of boom and bust that has
characterized the Party since its inception While in office progressive Republicans like Teddy Roosevelt and Dwight
Eisenhower revived Lincoln s vision of economic freedom and expanded the government attacking the concentration of
wealth and nurturing upward mobility But they and others like them have been continually thwarted by powerful business
interests in the Party Their opponents appealed to Americans latent racism and xenophobia to regain political power linking
taxation and regulation to redistribution and socialism The results of the Party s wholesale embrace of big business are all
too familiar financial collapses like the Panic of 1893 the Great Depression in 1929 and the Great Recession in 2008 With

each passing decade with each missed opportunity and political misstep the schism within the Republican Party has grown wider pulling the GOP ever further from its founding principles Expansive and authoritative To Make Men Free is a sweeping history of the Party that was once America s greatest political hope and time and time again has proved its greatest disappointment **Centennial History and Handbook of Indiana** George Streibe Cottman,Max Robinson Hyman,1915
