La Joie de Vivre Paddy Bostock, 2012-12-01 To escape a floundering relationship and writer's block Ambler leaves London for La Rochelle where he stumbles into a tangle of corruption and revenge with a grisly murder at its centre a crime which could cost Ambler his freedom and his sanity

Synesthesia and the Arts Dani Cavallaro, 2013-10-16 This study explores the relationship between synesthesia the experience of a sensation in one perceptual domain triggering a sensation in another perceptual domain and the arts including painting photography music and literature Its aim is twofold to introduce readers as yet unfamiliar with synesthesia to this intriguing phenomenon by focusing on its impact on the creation and reception of art and to alert readers already conversant with synesthesia in its many manifestations to its potential to encourage fresh ways of approaching art of understanding the part played by our bodies in its production and receipt and by extension of reassessing our position in nature as humans

Essayists on the Essay Carl H. Klaus, Ned Stuckey-French, 2012-03-15 The first historically and internationally comprehensive collection of its kind *Essayists on the Essay* is a path breaking work that is nothing less than a richly varied sourcebook for anyone interested in the theory practice and art of the essay This unique work includes a selection of fifty distinctive pieces by American Canadian English European and South American essayists from Montaigne to the present many of which have not previously been anthologized or translated as well as a detailed bibliographical and thematic guide to hundreds of additional works about the essay From a buoyant introduction that provides a sweeping historical and analytic overview of essayists thinking about their genre a collective poetics of the essay to the detailed headnotes offering pointed information about both the essayists themselves and the anthologized selections to the richly detailed bibliographic sections *Essayists on the Essay* is essential to anyone who cares about the form This collection provides teachers scholars essayists and readers with the materials they need to take a fresh look at this important but often overlooked form that has for too long been relegated to the role of service genre used primarily to write about other more literary genres or to teach young people how to write Here in a single celebratory volume are four centuries of commentary and theory reminding us of the essay's storied history its international appeal and its relationship not just with poetry and fiction but also with radio film video and new media
