Journey Through the Old Testament , 2006 Journey Through the Old Testament , 2015-06-15 Whoever starts on a Journey should be prepared for surprises The Old Testament offers a wealth of wonderful stories The stories talk about people who are on a quest for God with all their heart and soul About skeptics unhappy people and enthusiasts About people just like you and me About life as it is With all its worries anxieties and unfairness But also about God who makes His face shine upon us Who does not abandon us We should not deprive our children of this hope If we read these stories with them we can awaken their longing for God We may perhaps also arouse their curiosity And touch their heart and move their mind with pictures from two thousand years of art Thus igniting a life long journey in search of God With easy to understand picture explanations for children and textual commentaries for adults A read aloud book for children ages 5 and up a book to be read on one s own for children ages 8 and up and a book to lose yourself in for adults of all ages

Journey Through the Old Testament Harcourt Religion Publishers, Mary Jo Kaska, Arnel A. Bulaoro, 2000 **A Journey Through the Old Testament** Martinus Adrianus Beek, 1959 *A Brief Walk through the Books of the Old Testament* Tony Smith, 2022-11-03 The Old Testament is a formidable book a historic journey moving from creation through the time of Noah and the flood to Abraham and his descendants Moses and the children of Israel high priests judges kings and the spoken words of God through the prophets In my studies of the books of the Old Testament I find that God's purpose and revelations are obscured with pages and pages of detail that makes for cumbersome reading and a somewhat distant grasp of its inspirations I wrote this book to summarize the main points from Genesis to Malachi and to provide the historical elements such as dates to tie the story to historical settings and events I have also pointed out along the way the presence of Christ and the Holy Spirit in these Old Testament writings Most of the books of the Old Testament are prophetic There were approximately eight hundred prophecies in the Old Testament and a large portion approximately six hundred have been fulfilled There is not a single biblical prophecy that pertains to a time that has now passed that is not fulfilled My goal is for this writing to serve as an easy and comfortable format for the reader to get to know God who we are to Him why we are here and to discover His wonderful pathway leading to eternal life I want to reach those who are led to the Word of God and upon opening up a Bible and reading a few pages become discouraged by its vastness and disconnect of such long ago times The Old Testament truly has a long but remarkable timeline of history and I have endeavored to tie its writings accordingly in a brief walk through these inspired books of the Word of God **Journey Through the Old Testament** A Stan Dekoven, 1998 [A Journey Through the Old Testament](#) Joyce M.
