Journey Across Time Reinforcement Guide:

Journey Across Time Susan Gillerman Boggs, 2022-07-29 Journey Across Time opens a window to life in South Asia which has changed vastly since Susan Gillerman Boggs began living there as a diplomat's wife in 1985. In a captivating first person narrative Boggs takes the reader to remote places many now closed to visitors. She describes experiences both exotic and hilarious and adventures impossible to replicate. The author invites us to share the color and pageantry of festivals, religious rites and parades of caparisoned elephants. She ventured into the Himalayas on perilous roads and was welcomed into a remote land of former headhunters. She dined with royalty and danced with a maharaja, conversed with Mother Teresa, met President Clinton and appeared in a film starring Pierce Brosnan. She survived floods, political assassinations and window shattering bombs. She was bitten by a grouper in a coral lagoon, sneezed on by an elephant and cornered in a cul de sac by angry bulls. Back on the home front the author chronicles the daily joys and frustrations of diplomatic life with its cast of senior officials, mughals, intellectuals and colorful characters. With verve and self-deprecating humor she describes the tribulations of managing a diplomatic household and orchestrating official events despite personal dramas, logistic challenges and power outages. Join her in a truly remarkable Journey Across Time.
