States at War, Volume 6 Richard F. Miller, 2018-01-02 Although many Civil War reference books exist Civil War researchers have until now had no single compendium to consult on important details about the combatant states and territories This crucial reference work the sixth in the States at War series provides vital information on the organization activities economies demographics and laws of Civil War South Carolina This volume also includes the Confederate States Chronology Miller enlists multiple sources including the statutes Journals of Congress departmental reports general orders from Richmond and state legislatures and others to illustrate the rise and fall of the Confederacy In chronological order he presents the national laws intended to harness its manpower and resources for war the harsh realities of foreign diplomacy the blockade and the costs of states rights governance along with mounting dissent the effects of massive debt financing inflation and loss of credit and a growing raggedness within the ranks of its army The chronology provides a factual framework for one of history's greatest ironies in the end the war to preserve slavery could not be won while 35 percent of the population was enslaved

Leadership for Low-Performing Schools Daniel L. Duke, 2015-01-15 No greater challenge faces our society than improving the educational opportunities for millions of young people trapped in chronically low performing schools Overcoming this challenge requires talented and dedicated school leaders whose knowledge and skills extend far beyond what is covered in conventional principal preparation programs This book draws on extensive research by the author and others on the actions needed to turn around low performing schools First however the book examines the personal qualities

needed to undertake the turnaround process Following chapters provide guidelines on diagnosing the school based causes of low achievement and developing a school turnaround plan The author focuses on the importance of continuous planning a departure from standard practice A major portion of the book is devoted to examples of first order and second order strategies for raising achievement Specific recommendations for launching the turnaround process and sustaining gains beyond the first years of turnaround are provided The concluding chapter addresses the role of school districts in supporting school based turnaround efforts
